Orange County Registration Begins Today: 9 — Sunset

By KERRY SIPE
DTH Staff Writer
Voter registration for the Nov. 3 general election will start today in Orange County. Registration books will be open at polling places from 9 a.m. to sunset today, Oct. 10, and Oct. 17.

To be eligible to register, a person must be 21 years old, have lived in the State for a year, and in his precinct for 30 days prior to the election date.

Students who claim their official residence in Orange County may register at their precinct registrars' homes by appointment. The law does not require registrars to be available at their homes at all times. Students must change or have already changed their residence to an Orange County precinct and must consider their Orange County residence to be permanent—that is, they have no specific plans to leave the County in the immediate future—in order to register.

An absentee ballot will be required for those who have already registered elsewhere else. This ballot may be obtained by the following procedure:

1. Write to the Chairman of the County Elections Board before Oct. 19 and request an application for an absentee ballot explaining why you are unable to vote directly.

2. Fill out and return the application. The absentee ballot will be directly sent from the County Board of Elections.

3. Indicate choice on the ballot and return to Elections Board.

Students who have not registered elsewhere and who do not meet residence requirements for Orange County must return to their home addresses to register. After registration they will be eligible to receive absentee ballots.

Arrangements are being

made to share rides to and from precincts other than those in Orange County on the registration dates. Plans will be forthcoming.

With one exception, all persons now registered in Chapel Hill Township are eligible to vote in Chapel Hill. The exception results from a precinct change made by the County Board of Elections in August.

Chapel Hill residents who live south of Bolin Creek and north of the former Town limit, between the Airport Road and the Durham Road, must change their registration to East Franklin precinct.

Unless voters who live in

this area change their registration to East Franklin precinct, they will not be eligible to vote in the election. No other precinct boundaries have been changed.

Polls will be open from 9 a.m. to sunset on the three registration days. Sunset is at 5:47 today, at 5:38 Oct. 17, and at 5:29 Oct. 24.

Voters will mark five ballots in the election. They will vote for president, vice president, congressman, governor, U. S. senator, and U. S. representative.

Two ECC Students To Take A 'Walk'

GREENVILLE—(AP)—Two East Carolina College students are scheduled to stroll along Greenville's main street this morning garbed in women's dresses under terms of a court ruling.

Both 20-year-old students, John Joseph Gaffney and Walter Matthews Jacobs, were convicted in City Court Friday by Judge Charles Whedbee of larceny of a 50-cent dress from a used clothing store.

Judge Whedbee sentenced each to 30 days, suspended upon payment of the costs under the condition that each buy a dress costing not more than \$2.50 from the shop, don it and walk from the Police Department to the Pitt County courthouse Saturday between noon and 1 p.m. They are to be escorted by police on the three-block walk.

"It is the object of the court in all cases involving young people of any race not to impose on your people or place mark on them that will mar them for life," Judge Whedbee said in passing sentence.

"But rather it is to shake them that they will use their brains to realize what have been doing, realize how stupid their conduct has been, and thus straighten themselves out."

He added that the court's effort is to try to make the punishment fit the crime.

Police said the young defendants apparently took the dress as "a lark." An officer

said he found one of the young men modeling the dress for a coed on a mid-town sidewalk a short time after the theft was reported two weeks ago.

Judge Whedbee directed somewhat similar sentences recently on three convicted defendants—a white boy, a Negro boy, and a young white man. They were convicted of using vulgar and profane language in public. They were required to report at police headquarters three Saturday mornings and publicly wash out their mouths with soap.

Goldwater Slams Foreign Policy

SAN FRANCISCO (AP)—Barry Goldwater came again Friday to the state that gave him the big push to the Republican presidential nomination and, hitting hard at administration foreign policy, accused President Johnson of "playing a dangerous game" in relations with Russia.

"We cannot talk down the forward-thrust of communist aggression," he told the Los Angeles World Affairs Council in Hollywood. "We cannot bluff them down. But we can face them down."

"In this new era of reconciliation—where all defeats are mere 'distresses'—we seek new forms of accommodation with the communist world. And thereby, we seek to soften the hostility between Freedom and Communism, to melt the hard lines of the cold war, and woo Khrushchev — by friendly persuasion."

Topics for study are women's rules, sororities, increased admissions for coeds, improving women's orientation and possible discrimination against coeds in campus affairs.

Spearman said the commission would submit questionnaires to coeds, hold hearings, and study the experiences of other schools.

Ex-officio chairman of the commission is Don Carson; Mary Teague is vice chairman. Other commission appointees are J. Dillon, M. Gray, P. Patterson, L. Simpson, E. Allen, S. Shields, M. L. Lewis, C. Trott, F. Sims and S. Sterling.

Also J. Pittleman, M. A. Fulton, A. Simpson, J. Fullwood, H. Merrill, T. O'Toole, C. Neely, J. Tatum, D. Howe and R. Doner

begin at 9 a.m. Friday with President Rowe presiding. Discussion leaders will be George Watts Hill of Durham, a member of the executive committee of the UNC board, and Charles C. Wise Jr., of the Board of Governors of West Virginia University.

A guided bus tour to Raleigh will leave Chapel Hill at 11 a.m. Friday. A luncheon meeting at North Carolina State's Faculty Club is scheduled at 12:15 p.m. Chancellor John T. Caldwell will welcome the group to N. C. State, and Governor Sanford will address the session.

The return trip to Chapel Hill at 2:15 p.m. will be via Duke University and the Research Triangle. The group will arrive back here in time for a 3:15 p.m. business session.

The closing dinner session at 7:15 p.m. Friday will hear addresses by J. L. Zwingle, executive vice-president of the association, and Chancellor Emeritus Robert B. House of UNC.

Dr. Fleming will speak to the CPU on "The British Elections," having studied the British political system in residencies at Cambridge, Glasgow and Columbia Universities and lecturing on the subject at Northwestern.

Although space is limited in the Grail Room, CPU chairman Gerry Hancock said yesterday the public is invited to attend.

Principal speaker for a dinner meeting at 7:15 p.m. on Thursday, Oct. 15 will be Consolidated University President William C. Friday.

A general session on "The Board and the Community" will

begin at 9 a.m. Friday with President Rowe presiding. Discussion leaders will be George Watts Hill of Durham, a member of the executive committee of the UNC board, and Charles C. Wise Jr., of the Board of Governors of West Virginia University.

Johnson Bubbles With Confidence

NASHVILLE, Tenn. — (AP) — President Johnson flew into the Southland Friday bubbling with confidence and victory claims. He declared that the first task after the ballot counting must be to "bind our wounds and heal our history—and make this nation whole."

"On the main streets of America, history is being made from Maine to California, from mid-west to deep south, the people of America are coming out—coming out to stand and be counted for their country."

"They are asking us to take up their trust—to keep this country prosperous, to keep this country progressive, to keep this country and all the world at peace."

In a broad appeal for unity, to Republicans, Democrats and the South, Johnson outlined his vision of a peaceful, prosperous tomorrow.

"We are not going to lose that tomorrow in division over things of the past," he said.

Coed Study Group Named By Spearman

A commission to study the status of the Carolina Coed has been appointed by Student Body President Bob Spearman.

It will investigate and make recommendations about the coed's role here.

Topics for study are women's rules, sororities, increased admissions for coeds, improving women's orientation and possible discrimination against coeds in campus affairs.

Spearman said the commission would submit questionnaires to coeds, hold hearings, and study the experiences of other schools.

For the fourth consecutive week, the Tar Heels' opponent comes into the contest unbeaten. LSU has disposed of Texas A&M, 9-6 and Rice, 3-0. Hurricane Hilda forced postponement of the Tiger-Florida game last Saturday night.

By contrast, the Tar Heels have bounced back from their defeat at the hands of State in the opening game to roll up two wins for a 2-1 record.

In the latest wire service polls, LSU was ranked 11th and the Tar Heels were in the top 30. A win tonight would vault the Heels into the top 20.

The Tiger offense has been one big dud in their two wins. The heralded backfield of quarterback Pat Screen, halfback Joe Labruzzo and fullback Don Schwab hasn't crossed the goal line yet. The only LSU touchdown came on a blocked punt in the end zone. However the Tiger defense has made the most of that one touchdown and two field goals by flankerback Doug Moreau. Only one touchdown has been scored against the Tigers.

The Tar Heels go into the game in their best physical condition of the year. Only substitute fullback Hank Barden is a doubtful performer. End John Atherton, who missed most of the Wake game with a leg injury, is back at full strength.

SL Avoids Noisy Session

Student Legislature avoided a controversial session Thursday night as two important bills were held back in committee.

Student Party Floor Leader Arthur Hays' bill to modify the Elections Law and Speaker Pro Tem Charles Neely's resolution supporting the reinstatement of the University's non-discriminatory housing policy were held.

The Student Party won a hard victory during Thursday's proceedings as Hugh Blackwell (SP) won election to the chairmanship of the Finance Committee over Ellen Allen (UP) in a partisan vote.

Voting on the candidates produced a 21-21 tie, and acting Speaker Neely (SP) broke it to place Blackwell in office.

The Legislature passed a resolution requesting the student body president to ask the chairman of the Student Athletic Council to investigate the seating of students at athletic events and the pricing of date tickets.

Debate on the floor was sparked by the consideration of a bill to appropriate \$1,421 from the Student Government unappropriated balance for the French Exchange Program.

A bill providing money for the exchange of two students should have been passed by the Legislature last year, but

there was no time in the session for its consideration.

The French student is presently on campus, but funds for his stay are presently being provided by the Student Body President's Discretionary fund.

The International Students Board recently compiled the expenses for the student's stay on campus and introduced it in bill form to the Legislature.

Several legislators charged the bill had been hastily considered in Finance Committee. One said the bill had been considered for only five minutes.

"I don't want to take this poor boy's funds away from him," Mark Lindsey (SP) said, "but I do feel this bill needs further consideration."

The body voted to recommit the bill to committee.

Two appropriation bills were passed allotting money for the Campus Affairs Committee and the Executive Secretary's salary. All new Student Government appointments were passed.

National Trustee Group Gathers Here Next Week

A meeting of trustees of colleges and universities across the nation will be held here next week.

Roy Rowe of Burgaw, UNC trustee and president of the Association of Governing Boards of Universities and Colleges, has announced plans for the 42nd national meeting of the group, Wednesday through Friday.

Rowe, who was elected head of the national organization last year, said the meeting will attract hundreds of trustees, regents and governors of higher education policy-making boards from the 50 states.

Opening sessions on Wednesday included executive committee meetings in the morning; study committee sessions in Peabody Hall beginning at 3:30 p.m.; a reception by the University at 6:30 p.m. and a dinner meeting at 7:15 p.m., both at the Carolina Inn.

President Rowe will preside over the dinner session. A welcome will be extended by Chancellor Paul F. Sharp. Attorney Victor S. Bryant of Durham will give the main address. Bryant is a member of the executive committee of the UNC Board of Trustees.

The meeting will feature a School for Regents at 9:30 a.m. Thursday under the direction of Wales Madden Jr., regent of the University of Texas. Panelists for a discussion on "The Board and the Press" will be Chancellor Harry Ransom of the University of Texas, Regent Carl Brabec of the University of Michigan and Editor C. A. McKnight of the Charlotte Observer.

Principal speaker for a dinner meeting at 7:15 p.m. on Thursday, Oct. 15 will be Consolidated University President William C. Friday.

FBI Investigating Cross Burnings

WASHINGTON, N. C. — (AP) — The Charlotte FBI office is investigating a series of cross burnings at Negro homes Thursday night to determine if there was a violation of the 1964 Civil Rights Act.

Police Chief Phillip Paul of Washington said the burnings were reported at the homes of

five Negro families who are involved in a suit seeking desegregation of Washington's public schools.

Paul said the crosses were about four feet tall, made of tobacco sticks and wrapped in tobacco plant bed cloth and soaked in oil.

Terrorists Kidnap U. S. Officer

CARACAS, Venezuela — (AP) — A terrorist gang Friday kidnaped U. S. Air Force Lt. Col. Michael Smolen, deputy chief of the U. S. mission to the Venezuelan Air Force.

Officials blamed the abduction on the pro-Castro terrorist Armed Forces of National Liberation (FALN), which ap-

pears to be embarking on a new campaign of harassment against the pro-U. S. administration of President Raul Leoni and American interests in Venezuela.

Smolen escaped by vaulting fences and taking refuge in a house.

Meningitis Cases Reported In California

SAN FRANCISCO — (AP) — The California Health Department declared Friday deep concern over the first two civilian community cases of meningitis apparently linked with a Ft. Ord outbreak that has caused 13 deaths in 84 cases this year.

The Army last month directed that the number of recruits assigned to Ft. Ord for eight-week basic training periods be reduced from 4,600 to 2,500. It also ordered a two-week break between training periods while all barrack areas are fumigated.

Fire Hits British Embassy In Moscow

MOSCOW — (AP) — Fire swept through the British Embassy for four hours last night, causing extensive damage to the east wing of the building across the Moscow River from the Kremlin.

There were no injuries, an embassy spokesman said, but

several diplomats and secretaries were soaked in fighting the flames. One, however, found time to serve tea to the firefighters. He said the fire apparently started in the club, but the cause had not been determined.
