

Deacon Dan Reeves Key To USC Offense

By PETE GAMMONS
DTH Sports Writer

South Carolina comes to town Saturday without a win in their last 13 games. They have been able to find no joy thus far this season in an 0-3-2 record.

However, Coach Jim Hickey and his staff still have high respect for the Gamecocks, because they know that a team with South Carolina's personnel can give anyone trouble.

After opening the season with a tie against Duke, Coach Marvin Bass was optimistic about his team's chances for a good season. But the next week his team proceeded to fumble four times and give Maryland a 24-6 win. Then they again played well and tied a strong Georgia team, before reverting back to their Maryland performance against Nebraska and Florida.

The Gamecocks have beaten themselves every time with mistakes. Fumbles, bad punts, etc. have killed them. But they have

26 lettermen returning and with the addition of some good sophomores are considerably better than the record shows.

The big man in the Gamecock attack is quarterback Dan Reeves. Deacon Dan gained 1,401 yards his sophomore year before getting injured last year. At 200 pounds he is deadliest on the rollout where he can utilize his abilities as a passer and a runner. If he can come up with a big day, the Tar Heels will have their hands full.

Sophomore Julie Smith will probably start at left half, replacing the injured Marty Rosen. Smith was the regular fullback on the freshman team two years ago, but an injured ankle held him out of action last year. Larry Gill, a two-time letterman, will start at right half. He is a good runner and led the team last year in pass receiving. At fullback will be Phil Branson, a 211 pound junior transfer from Kentucky.

Juniors J. R. Wilburn and Wayne Tucker will start at end. Wilburn is a track star and has been the top receiver thus far this year.

Three sophomores backbone the interior line. Dave Berry (t), Randy Harbourg (g) and Mike John-

son (c) all have good size and speed and are developing into top-flight linemen. At the other tackle and guard positions will be Len Sears and Ed Hertwig.

The offense is built around Reeves and the rollout play. The gifted quarterback can do everything except kick, and his understudy, baseball star Jack McCathern, does that well. The Deacon is presently second in the ACC in total offense despite the team's sorry record.

Bass, who was an assistant under George Barclay at Carolina in the early fifties, always has his team prepared for the Tar Heels. Last year the Tar Heels had to push across a last minute touchdown to defeat the Gamecocks 7-0.

Bell Leads Harriers To Win Over State

By BILL LEE
DTH Sports Writer

UNC's varsity and freshman cross-country teams scored overwhelming victories yesterday against NC State, with the varsity winning 15-50, and the yearlings taking away a 21-40 decision.

Without the aid of their three top men, the harriers took the first seven places led by Drummond Bell who finished first in the four miles at 21:50. They also added eighth through tenth places. Jerry Smith finished second, Trip MacPherson, third; Bill Janowitz, fourth; and Eddie Daw, fifth.

Coach Joe Hilton pulled out two of his top men in Art Maillett and James Meade to give the sophomores more experience and confidence. Charley Little, who won the first meet

of the season, ran only a mile because of a previous injury to his ankle. The ankle held up today on the mile and Little is expected to come around for the Duke meet next Wednesday.

Others placing for the varsity were Russell Putnam sixth; Obie Whichard, seventh; Charles Worley, ninth; Charles Leiler, tenth; Frank Kurth, eleventh, and Bob Everett, fourteenth. Bell, MacPherson, Daw, Putnam, Worley, and Kurth are all sophomores.

Mike Williams of the freshmen scored his second meet win in a row with a time of 15:36.7 in the frosh three-mile run. Williams had been bothered by an injured toe. Bill Bassett of Carolina finished second at 15:53, gaining the one-two sweep over Bob Carlson and Wayne Cline of State.

Also placing for the frosh were Galen Elliot, fifth; Fred McCall, sixth; Bob Orr, seventh; Tom Carpenter, eighth; Charley Evans, ninth; and Bill Wolcott, tenth.

Sandy, Chance Top AP All-Star Team

By BEN OLAN

NEW YORK (AP)—The New York Yankees placed the most players, outfielder Mickey Mantle, catcher Elston Howard and second baseman Bobby Richardson, on the Associated Press' annual major league baseball All-Star team. But two Los Angeles pitchers, Sandy Koufax of the Dodgers and Dean Chance of the Angels collected the most votes.

Koufax, winner of 19 games before he was sidelined for the season by a sore arm in mid-August, polled 77 votes as the outstanding left-hander. Chance, a 20-game winner for the Angels, drew 71 as the top right-hander in the balloting by 85 baseball writers.

Others named were first baseman Bill White of the World Series champion St. Louis Cardinals, third baseman Brooks Robinson of Baltimore, shortstop Jim Fregosi of the Angels and outfielders Willie Mays of San Francisco and National League batting champion Roberto Clemente of Pittsburgh. The voting was based on regular season performances.

In all, six National Leaguers and four American Leaguers were selected for the first team. The NL, however, placed seven on the second team to the AL's three.

Have you looked at your trousers lately?

Are they correct? Are they neatly narrow in the leg—or too narrow (or too wide) Do they hang properly or do they drag on the floor? Do they come up too high or do they rest securely on your waist? Do your trousers enhance your appearance.

Braves Moving To Atlanta

CHICAGO (AP)—The Milwaukee Braves board of directors voted today to request permission from the National League to transfer their franchise to Atlanta, Ga., for 1965.

At the request of Warren Giles, National League president, no further information will be released until after the league meeting in New York Thursday.

Giles Tuesday called a special league meeting to act on the matter.

"Shortly thereafter," a prepared statement said, "the Braves' management will release a detailed statement outlining all the various considerations for any action taken."
