SL Reserves Right To Pass **On Affiliation With NSA**

By JOHN GREENBACKER DTH Staff Writer

Student Legislature voted Thursday night to reserve the power of final determination on Student Government's affiliation with the National Student Association with the legislature.

A campus-wide referendum on the issue, however, will be held during the fall elections.

An amendment making the referendum's results binding on the legislature was defeated by 3 vote of 19-25 because of its wording, constitutional reasons and personal reasons of the legislators.

The referendum bill, which is the compromise of two similar measures, will have UNC students vote yes or no to the statement, "The Student Government of the University of North Carolina at Chapel Hill should remain affiliated with the United States National Student Association."

When the bill was introduced on the floor, University Party Floor Leader Mal King moved that the body accept another article to the text of the bill.

King's proposed amendment said the decision of the Student Body in the referendum "shall be binding when the 1965-66 budget is adopted.

"The wording of the referendum itself asks the opinion of the Student Body," King said while introducing his amend-

Because many legislators had expressed doubt that such a binding referendum was in accordance with proper procedure, Crampton cited a precedent in which the legislature had passed a bill calling for a binding referendum.

Bob Wilson (SP), who attacked the proposed amendment, asked, "If NSA was voted down in a campus-wide opinion poll, should you as representatives of your constituents be bound to vote against it? "This Legislature was indeed

elected by the Student Body," he said, "but the power invested in us is to reflect the views of our own constiluents."

Student Body Floor Leader Arthur Hays said he would vote in accordance with the results of the referendum, but he objected to the wording of King's amendment.

was defeated in a roll call vote.

Calling the proposed amendment unconstitutional, Hays suggested the amendment be defeated and each legislator state on record that he would vote in accordance with the referendum. King's amendment to the bill

Legislators voting for the amendment were Representatives Allen, Brinkley, Brown, Dearhorn, Harmon, Hubbard, Ingram, January, King, Maupin, Rutledge, Smith, Stanley, Sterling, Warden, Webb, Dickson, Cannon, and Crampton,

Those voting against the amendment were Representatives Blackwell, Brame, Burden, Burten. Eastwood, Foy, Froneberger, Hays, Hockfield, Hodges, Lindsey, Little, Lowe, Neely, O'Toole, Patterson, Pepper, Scales, Weiler, Wright, B. Wilson, D. Wilson,

Junior Handed Suspension For Lying At Council Trial

A junior was suspended for two academic semesters for lying in a previous trial in a Men's Council case Thursday.

The student was already on probation this semester. He had been accused of steal-

any sentence of official record. The council decided that the offense was more serious than this and deserved a two-semester

suspension. In two other cases Thursday the council heard testimony con-

ment.

"I think that as long as the students are going to consider this question they might as well make the final decision," he said. King's amendment was supported by Clark Crampton (UP), who reminded the body, "The way we derive our power is

through our constituents. "To not allow our constituents to have this power back." Crampton said, "is against all democratic precepts."

This is Student Party Floor Leader Arthur Hays' statement concerning his vote on the NSA issue in Thursday's meeting in Student Legislature.

Last Thursday night the Student Legislature defeated an amendment to the NSA referendum resolution making the vote of the student body binding upon subsequent legislative action concerning USNSA.

I voted against that amendment because, as finally offered, it was poorly written and unconstitutional on its face. It also carried the implication that the Student Legislature could not be trusted to abide by the decision of the student body in this mat-

ter. The vote of the Student Body should be final. It should not be necessary for Student Legislature to take any action concerning affiliation subsequent to the vote of the student body.

For that reason, I plan to introduce in committee a resolution with an active provision as follows: "The results of the referendum on the USNSA shall determine whether the Student Government of the University of North Carolina at Chapel Hill shall continue to be affiliated or shall be disaffiliated from the United States National Student Association."

> Trio Holds U. S. 'Wrong' In Policies Toward Cuba

By ALAN BANOV **DTH News Editor**

Three youths who broke the State Department ban on travel

ing merchandise while employed at a lunch counter last spring and had been tried by the coun-

cil. During that trial he claimed that the stolen goods amounted to about \$10 in value. His employer had found considerably larger shortages.

This fall, he confessed that he had been responsible for stealing and giving away goods valued at about \$300.

He said that he had been trying to minimize his own guilt in the spring trial and that he had been covering up for other employees doing the same thing. He implicated four other students. The student, under his proba-

tionary sentence, would have been automatically suspended for one semester if the council gave him

The North Carolina String Quartet will present its first concert of the season at 8 p.m. Tuesday in Hill Hall.

This will be the first appearance of the quartet with Charles Griffith, cellist, new member of the UNC music faculty. Other

members of the quartet are Edgar Alden and Earl Wolslagel, violins, and Dorothy Alden, viola. Griffith has had wide experience as a soloist, giving recitals in Ohio, Delaware, Pennsylvania and New York. He holds degrees from Oberlin Conservatory, where he was a student of John Frazer, and from the Juilliard School of

Music, where he studied under Leonard Rose. Featured on the program will be the Fourth Quartet of Walter Piston, composed in 1951 and dedicated to Elizabeth Sprague Coolidge.
