Golf, Softball, Tennis Head Intramural Slate

A slate of three sports has been announced by the Intramural department for the summer sessions. Softball, tennis, and golf head the program of events that will get under way next week.

Softball competition will consist of eight to 10 teams playing a Round Robin tournament. There are no restrictions as to eligibility except that a player may play on only one team. Games will be played each afternoon at 4:30 on Emerson field with the winning team receiving a trophy at the end of the tournament.

Registration for tennis in both the single and doubles division closes Friday, with eliminations to get started on

Monday. Each match will consist of two out of three sets and trophies will be awarded to the winners in each category.

The golf tournaments will be held at Finley Golf Course, just off Highway 54. It is open to everyone and players will be divided into flights, with the winners of each flight receiving trophies. Participants must play 18 holes to qualify, with the deadline tentatively set for Friday. This may be extended, however, due to bad weather.

Intramural director Bob Epiting said there is a great need for additional softball officials. Interested persons should contact the intramural office at 214 Woollen Gym.

Walsh Takes Coaching Post

Don Walsh, a star backcourt player for the Tar Heels from 1959 - 62 and a recent graduate of the UNC Law School, has been named the new assistant basketball coach. The announcement was made Sat-

urday by Athletic Director C. P. (Chuck) Erickson.

Walsh is the second new member of coach Dean Smith's staff. Earlier this spring Larry Brown took the vacancy created by the departure of Ken Rosemond.

Walsh, like Brown, was a UNC captain. He graduated in 1962 as a Dean's List student after he had averaged 13.4 points per game as a Tar Heel basketballer. After graduation he entered Law School, but kept his hand in basketball by serving as a graduate assistant.

"I'm pleased on all counts," said Coach Smith. "Walsh is a smart and dedicated young man, one who will fit our system nicely."

All-Star Squad

Selects Willard

Carolina backfield ace Ken Willard has been named to the collegiate all-stars backfield for the Aug. 6, games against the Cleveland Browns at Soldiers Field in Chicago.

This will be Willard's second appearance in a summer all-star game. He will play in the All-America game June 26 in Buffalo, N. Y.

Willard, a Tar Heel halfback for the past three years, is listed as a fullback on Otto Graham's all-star team. He will compete for the starting slot against three other fullbacks, Tucker Fredrickson of Auburn, Charles Mercein of Yale and Russell Wayt of Rice.
