

The Noisiest Tar Heels Of Them All

Jane Dankworth: "Gimme A 'C'"

In the old days, they depended entirely on megaphones and the power of their vocal chords. Now they use microphones and stereo amplifiers.

But the purpose is still the same — to let the eleven men on the Tar Heel team know that they have eleven thousand fans in the stands pulling for them all the way.

What would a football Saturday in Kenan Stadium be without the team spirit and jovial atmosphere of the Carolina cheerleading squad?

Those attending the game, who know nothing about football, only have to watch the soaring megaphones and frisky skirts at the edge of the field to know when to yell and when to moan.

SPORTS MACHINE Price \$285.00

The Honda Sports 50's price is only half the story. It's a gas sipper: 200 mpg. Flashy but sturdy: over 50 mph from 4-stroke 50cc OHV engine.

Other virtues: 4-speed transmission, manual clutch, cam-type brakes. Sheer fun to own.

WHICH WAY IS YOUR PERSONALITY WARPED?

Don't jump to any quick conclusions! Capitol Records has thoughtfully provided you a foolproof method for answering this question and two equally burning issues:

Is Our Society Going To Pot? and Are You Ready To Hear

**ART BUCHWALD
SEX AND THE COLLEGE BOY**

ART BUCHWALD?

Pictured here is the first and only record made by nationally-syndicated columnist Art Buchwald. You may or may not know of this fellow. No matter. Buchwald is either:

- a) "The most comic American since Mark Twain"
- b) "Nothing more than a writer of unadulterated rot"

Now with that in mind, you can see why we're afraid this album could fall into the wrong hands. To prevent that possibility, we've designed the little quiz you are about to take. DO NOT DIVULGE YOUR SCORE!

| | TRUE | FALSE |
|--|------|-------|
| 1) The Russians scramble every third word of Mr. Buchwald's column to confuse the C.I.A. | | |
| 2) The Louvre can be run in under six minutes. | | |
| 3) Arthritis is unavailable in Palm Beach, Florida. | | |
| 4) The best reason for contributing to charity is getting your picture taken. | | |
| 5) There is a drastic shortage of Communists in the U.S. | | |
| 6) Every American city should have a resident Communist. | | |
| 7) J. Edgar Hoover is a fictional character appearing in the Reader's Digest. | | |
| 8) The majority of college men believe in chastity. | | |
| 9) College girls don't respect boys who "give in." | | |
| 10) A Harvard boy wouldn't think of "going all the way" with a girl; besides, he wouldn't even know what it meant. | | |

SCORING: Give yourself 5 points for every TRUE; give yourself 0 for every false. INTERPRETATION: A score of 0 indicates you can't be fooled by stupid questions. Don't waste your time. A score of 100 indicates you're sick, so sick you'd better hear Art Buchwald right away! Any score in between indicates "tit," take the test again!

Liberal Arts Majors

Announcing the Professional Qualification Test

for outstanding career appointments to

National Security Agency

Registration Deadline: Wednesday, October 13

If you expect to receive a liberal arts degree before September 1966, don't miss this opportunity to qualify for a rewarding career with the National Security Agency. All liberal arts applicants must take the Professional Qualification Test (PQT) as a prerequisite to NSA interviews for employment.

THE DEADLINE FOR TEST REGISTRATION IS WEDNESDAY, OCTOBER 13 . . . THE TEST ITSELF WILL BE GIVEN ON CAMPUS ON SATURDAY, OCTOBER 23.

Challenging Career Program Areas

A unique agency functioning within the Department of Defense, NSA has a critical need for imaginative people. You can make immediate use of your college-acquired capabilities without first accumulating years of "experience." Your specific academic major is of secondary consequence as long as you relish and meet the challenge of extremely complex research problems that frequently will take you beyond the known and accepted boundaries of knowledge.

- You will work on programs of national importance, in such areas as:
- Cryptography . . . the making of codes and ciphers
 - Analytic research
 - Language research
 - Data systems design and programming
 - Administrative management (finance and accounting, personnel, training, engineering administration)

The PQT Bulletin at your Placement Office outlines these areas further.

Advancement, Training and Educational Opportunities

NSA promotes from within and emphasizes orderly career development, awarding substantial salary increases as you assume greater responsibility. The environment is academic, and NSA stimulates professional and intellectual growth in many ways, including intensive formal and on-the-job training in new disciplines and methodology. Advanced study at any of seven area universities is partially or wholly reimbursed through NSA Fellowships and other assistance programs.

Attractive Location and Other Advantages

Located between Washington and Baltimore, NSA is also near the Chesapeake Bay, ocean beaches, ski resorts and other popular summer and winter recreation areas. The location permits your choice of city, suburban or country living.

Policies relating to vacations, insurance and retirement are fair and liberal—you enjoy the benefits of Federal employment without the necessity of Civil Service certification.

Where to go...What to do

First, pick up a PQT Bulletin at your Placement Office, the sooner the better. It contains a brief registration form which must be received in Princeton, N. J., by October 13. You will then be mailed a ticket admitting you to the Test on October 23.

Taking and passing the Professional Qualification Test in no way commits or obligates you to anything. But we urge you—even if you are not fully certain of your career interests—to investigate NSA opportunities now. The Test will be followed by on-campus interviews with NSA representatives.

Please note: You must be a U. S. citizen, subject to a character and loyalty check.
