1. What's up?

Looking for my wallet.

2. In the lighting fixture?

I once found my watch there.

3. The last time I dropped in you were taking the sink apart to get at your tiepin.

I didn't want it to rust.

4. A month ago you left your clarinet on the bus to Boston.

I really miss the old licorice stick.

5. How come you have so much trouble keeping your hands on your capital?

They don't call me Hot Fingers for nothing.

6. If you want to start hanging on to your money, I'd suggest Living Insurance from Equitable. The premiums you pay keep building cash values that are always yours alone. And at the same time, the Living Insurance gives your wife and young solid protection.
