

# Try Dorm Living For A Unique Experience

By TOMMY DAIL  
Special To The DTH  
Television advertisers tell you that if you want a unique experience, try Colt 45. After living in a dormitory room for three and one-half years, I say try living in a dorm for a unique experience.

In the sheer, quiet, uncrowded comfort of a dormitory then, an account of a typical day's activities will give you an idea of what you're missing.

At seven o'clock you are awakened by the refreshing voice of WSSB's Country Boy coming to you loud and clear from your early-bird hall-mate's room.

**PERFORMANCE THE CHEVROLET WAY**

It's our Turbo-Jet 396: the V8 strong enough to run your Chevrolet and its automatic transmission, power steering, air conditioning, power windows, AM/FM Multiplex Stereo radio. And more. Without even breathing hard.

Reason is, a Turbo-Jet V8 breathes deeper. Breathes freer. Delivers more usable power whenever you need it—like for safer passing. Works more efficiently. Where the smaller engine hurries, a Turbo-Jet V8 just loafs along. You try it, at your Chevrolet dealer's. And nowhere else.

We offer two Turbo-Jet 396 V8s for '66. You can order 325 hp in any Chevrolet; 325 or 360 hp in a Chevelle SS 396. There's also a 427-cu.-in. Turbo-Jet (up to 425 hp) available in Chevrolets and Corvettes.

Caprice Custom Coupe    Corvette Sting Ray Coupe    Chevelle SS 396 Sport Coupe

All kinds of cars, all in one place... at your Chevrolet dealer's Chevrolet · Chevelle · Chevy II · Corvair · Corvette

# Happenings On Campus

Because of past experience, you succeed in blocking some of this distraction with your pillow, but a few minutes later the swishing sounds of the janitor's push-broom clanging against your waste basket is too much so you rise and pine.

After dressing you leave your peaceful abode and catch up on your sleep in your lecture classes.

Classes being over, you decide to return to the dorm and listen to radio or work crossword. As you enter your room, you find your roommate catching up on his sleep so you spend another afternoon milling around the TV room or the gymnasium.

After supper you decide to study in your room where you have good lighting and solitude. This brilliant idea is shattered when you open the door and find eight of your roommate's best friends having a jam session with cigarette smoke providing the friendly atmosphere.

You charge to the library trying to recall which fellow was on your bunk with the

sweaty jeans squirming around on your newly-cleaned sheets.

At eleven o'clock you figure the crowd is gone so you'll go back and get some sleep. The crowd has gone and after you air the room out and settle down for a long winter's snooze, the almost sound-proof rooms almost knock out the late movie blaring from your hallmate's tube.

Further down the hall, the pitter-patter of a super ball bouncing back and forth blends smoothly with the six-day drunk stumbling down the stairs singing "Louie, Louie."

But wait! What's that you hear? Why it's the MRC to the rescue. In a matter of hours the halls ring with silence and your long-awaited sleep finally comes. You drift into a nervous sleep with the satisfaction that you've survived another day in the dorm.

Friends, take this advice — for a unique experience try Colt 45.

All Campus Calendar items must be submitted in person at the DTH offices in GM by 2 p.m. the day before the desired publication date (by 10 a. m. Saturday for Sunday's DTH). Lost and Found notices will be run on Tuesday and Saturdays only.

The Toronto Exchange has announced that 5 extra places would be available to anyone who wanted them for the trip to Toronto on January 27. The price of the ride is \$30.00. The bus will leave at 8 p.m. and return Feb. 2 sometime that evening. Interested persons do not have to be affiliated with the exchange in any way to avail themselves with

this opportunity. If interested call Herbert Wooten. Coming this Sunday, to the Hill House, the third Sunday Supper Social (S.S.S.), at 5:30 p.m. It's informal. Please call the Hill House for reservations between 3 and 5 Sunday afternoon, 942-4057.

Dave Jones, a local folk singer, will perform at 8 p.m. today in the GM Lounge.

## Sorority Rushing Will Begin Feb. 4

By JUDY LOVE  
Special to the DTH  
Sorority spring rush begins February 4 with a reception at Graham Memorial given by the Panhellenic Council.

Last spring the Council decided to let freshmen girls go through spring informal rush for the first time in four years. Rush was deferred until the sophomore year four years ago because there were so few freshman girls and their curricula demanded most of their time.

The Panhellenic reception will be held to give each rusher the opportunity to meet each sorority president, rush representative.

The first rush party will be held Feb. 6 and parties will continue through Feb. 28. Bids will be issued March 2, after rushees have signed their preference sheet.

Approximately 100 of the 150 girls who signed up for spring informal rush are freshmen. The total figure does not include girls eligible for rush who will transfer here in February.

According to Madeline Gray, president of the Panhellenic Council, freshmen who plan to go through spring rush are not allowed on sorority grounds until after rush has begun. Violation of this rule will cause a girl to be dropped from spring rush.

Silence is not being observed during spring rush as it was during fall rush. Rushes and sorority members may talk to each other, but not about sororities. Any questions that a rushee wishes to know about sororities may be answered by Stray Greeks.

**On Campus RCA**  
will interview for Graduate Training Programs on February 8

Candidates for BS, AB and Advanced Degrees are invited to consider this opportunity to join a world-famous electronics corporation.

Briefly, the three principal RCA programs are:

**COMPUTER MARKETING**  
requires individuals with good academic standing and a degree in engineering, science, mathematics, liberal arts, or business administration, with an interest in computer systems and sales.

The program consists of five integrated phases incorporating both formal and on-the-job training.

**ENGINEERING**  
for the engineer or physicist interested in research, development or design engineering.

There are three possible avenues for the individual chosen:

*Design and Development Specialized Training* will help you decide in which directions your career aptitudes lie.

*Direct Assignment* for the person who knows his chosen field of interest.

*Graduate Study* offers selected candidates an opportunity to continue their studies, fee paid, for two days a week, and work at RCA three days.

**FINANCIAL**  
for the graduate with an interest in financial management and the applications of the computer in the field of finance.

This is a complete indoctrination into RCA's approach to financial management and other management functions. You will be trained in depth to assume an important post in one of the many RCA businesses.

See your placement officer now to arrange an interview with an RCA representative.
