

## Ban Fund Reaches \$1,500

Student Body President Bob Powell said Wednesday that \$1,500 in cash and pledges has been collected thus far to support the Speaker Ban Test case.

Powell said about \$700 has been spent on the case so far, primarily for telephone calls, supplies and other small items. The remainder is being held in a trust fund for future use.

The fund was started after representatives of the student body took the controversial Speaker Ban law to court to test the statute's constitutionality. The case is now in the three-judge Middle District federal court in Greensboro.

Powell said most of the contributions have come from professors and lawyers in amounts ranging from 50 cents to \$100.

# 100% Guaranteed Used Cars

## THE CLEANEST AND BEST RECONDITIONED USED CARS AT NO EXTRA COST ARE FOUND AT Triangle Volkswagen

Most used car dealers sell their cars with 50-50 guarantees. You know the deal: if anything goes wrong, you pay half the cost of parts and labor. And they do the same.

Well, our guarantee doesn't work that way.

When we guarantee a car, we guarantee the repair or replacement of all major mechanical parts\* for 30 days or 1,000 miles. There's no charge for parts. Labor. Anything.

\*engine • transmission • rear axle • front axle assemblies • brake system • electrical system

How can we do this? Easy.

We fix the things that need fixing before we give them the guarantee. These used cars, for instance. They've all passed a tough, 16-point safety and performance test. They're reconditioned and ready to roll.

A car with a 100% guarantee costs no more in the beginning. And won't drive you to the poor house in the end.
