

Student Government Asks Lake Policy Re-evaluation

The Summer School Student Government Board passed a resolution last Thursday urging the University administration "to re-evaluate its present policy of charging students for the use of the University Lake."

The resolution stated that "there is now a half-day \$1 fee charged to students for the use of the University lake."

Neither Dean C. O. Cathey nor Chancellor Carlyle Sitterson were available for comment yesterday.

Don Wilson, who introduced the resolution, said, "I think the price is exceedingly high."

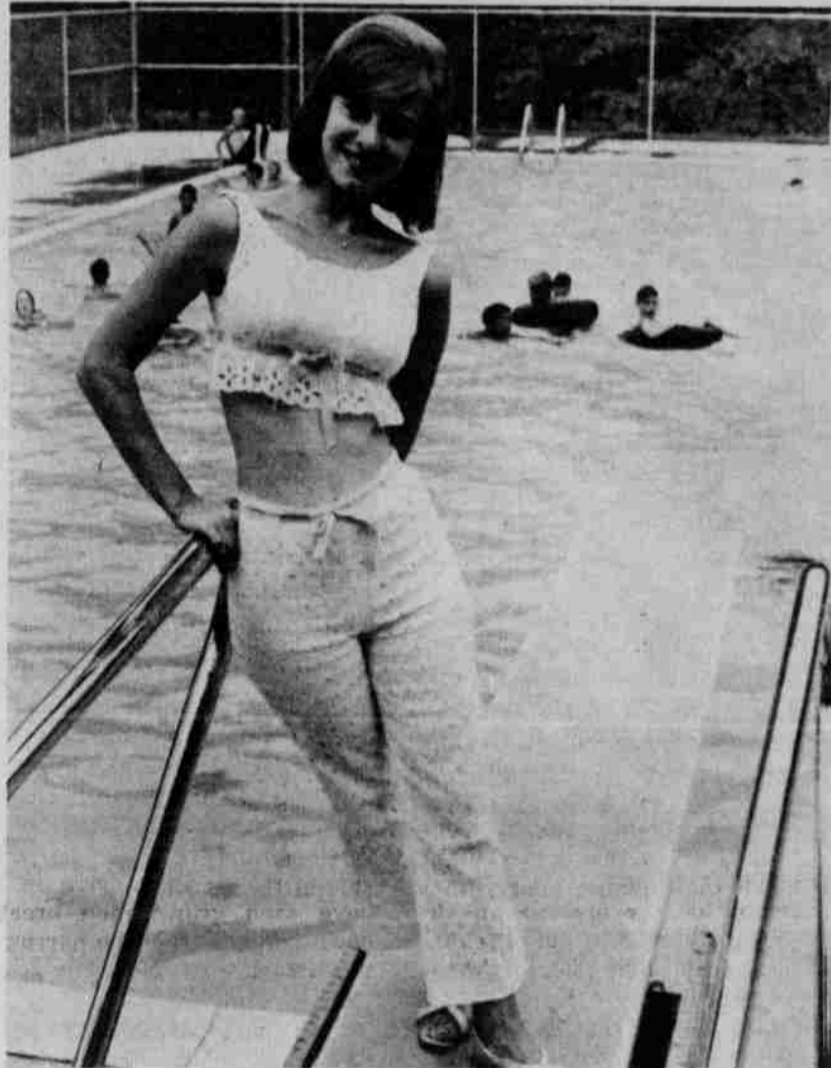

Several people had mentioned to me and I have been out there some this summer."

There is neither swimming nor boating at the lake Wilson said. "You can only fish."

"The fee to fish at the lake is actually 50 cents for half a day. But if you want to use a boat, it costs another 50 cents per half-day," he said.

University lake is located one mile west of Carrboro out Jones-Ferry Road.

100% Guaranteed Used Cars

THE CLEANEST AND BEST RECONDITIONED USED CARS AT NO EXTRA COST ARE FOUND AT Triangle Volkswagen

Most used car dealers sell their cars with 50-50 guarantees. You know the deal: if anything goes wrong, you pay half the cost of parts and labor. And they do the same.

Well, our guarantee doesn't work that way.

When we guarantee a car, we guarantee the repair or replacement of all major mechanical parts* for 30 days or 1,000 miles. There's no charge for parts. Labor. Anything.

*engine • transmission • rear axle • front axle assemblies • brake system • electrical system

How can we do this? Easy.

We fix the things that need fixing before we give them the guarantee. These used cars, for instance. They've all passed a tough, 16-point safety and performance test. They're reconditioned and ready to roll.

A car with a 100% guarantee costs no more in the beginning. And won't drive you to the poor house in the end.
