David Riggs was voted the most valuable offensive player in the Blue-White game last Saturday and Bill Spain the most valuable defensive player.

Riggs carried the ball 11 times for a total of 50 yards gained and wasn't thrown for a loss the entire game.

Spain led the White defense with eight tackles and three assists.

Coach Bill Dooley made the following comments after the game: "I was real pleased with the overall effort the boys gave. We lack speed, agility and depth, but we're headed in the right direction. As long as the boys continue to give us the kind of effort they gave today, win or lose, we'll be happy."

"I was real disappointed in our kicking game. Lewis Bush may be able to help us a lot with field goals and extra points, but he still needs more work under pressure before we know just how good he will be.

"Our tackling and pass protection was real poor today," Dooley continued. "Several times we had backs run right through tackles, and you can't play that type of defense in this conference and win."

Coach Dooley then cited a few players for their play. "Riggs looked good today," he said. "He wants to play and hustles all the time. He's not real fast, but his speed is despicable."

"Spain played a fine game, and the fact that he was selected the outstanding defensive player in the game is a real credit to him when you consider that he missed about half of spring practice with an injury."

"Tommy Dempsey ran real well today but needs to work more on his blocking."

"Mark Mazza and Saulis Zemaitis both ran well today."

"Gayle Bomar looked good at quarterback, but he, and the whole team, still have a long way to go," Dooley concluded.

More Blue-White game notes. . . Ken Price, sophomore quarterback from Erwin inherited jersey number 10, Danny Talbott's old number, and on several occasions when he was in the game, he showed some of Danny's form. . . Tommy Dempsey was the real workhorse for the White team as he carried 30 times and gained a total of 90 yards without being thrown for a loss the entire game. . . Landy Blank did the punting for the Blue team and punted one 54 yards in the air. The ball actually went about another three yards into the end zone on the fly and was kicked exactly 10 yards behind the line of scrimmage for a total of 67 yards in the air. . . Lewis Bush, Carolina's soccer style place kicking specialist, impressed everyone with his kicking ability.

The Carolina tennis team lost its first match of the season to Miami Saturday and thus finished with an excellent 19-1 record. "I Couldn't have ask for more from the team." Coach Don Skakle said after the match. "Everyone of the boys played up to his potential, and I just can't say enough for their great play. We were in the match all the way and a few breaks here or there and we'd have won the match."

The tennis team now goes to Duke the 11th-13th for the ACC Championship Tournament.

The Tar Heels are the defending champions and will be favored to win again.

The UNC gold team travels to Pinehurst the 11th-13th to take part in the annual ACC Tournament. Wake Forest will be the heavy favorite to win the team title, but they will miss the services of Jack Lewis. Lewis will not play because he is in Sandwich, England, playing for the U.S. Walker Cup team in the Walker Cup Matches.

Two years ago the Tar Heels were able to put together their best effort of the season and walk off with the team championship at Pinehurst, and they could possibly do it again this year if everyone plays up to his potential.

Parmer Blanks Tar Heels On Five-Hitter To Sting Conference Title Hopes

Carolina was eliminated all but mathematically from the Atlantic Coast Conference baseball race when Clemson edged the Tar Heels, 2-0, here yesterday. The victory placed Clemson in first place in the ACC.

Bill Parmer pitched a five-hit shutout en route to his sixth victory of the season against no defeats. Parmer completely handcuffed UNC batsmen and allowed only one runner past second base.

Losing pitcher for the Tar Heels was Tom Buskey. Buskey hurled fine, six-hit ball in his seven inning stint and gave up only one earned run.

The sophomore righthander received minimum support from his teammates and his won-loss record subsequently dropped to 3-3.

Track Team Wins First In WTVD Meet

By RICHARD WAYNE SMITH

The University of North Carolina has the best track team in the state. By scoring in all but four events, the Tarheels piled up a total of 56 points on an afternoon that saw 13 records smashed in the second annual WTVD Track and Field championships.

Carolina won only one event, the half mile, but strengthened its position by placing two or three men in various events. Mike Williams pulled away from the pack on the backstretch of last lap to win the 880 in the record-breaking time of 1:50.7.

In the 440 yard dash, Eddie Daw and Twig Smith represented Carolina by placing third and fifth in a race which was won by Vince Matthews of J. C. Smith in a time of 46.3. Carolina's Bill Bassett and Wayne Franklin placed second and fifth in the Jim Beatty mile which was one of two wins for Duke's Ed Stenberg. In the 440 yard relay and the mile relay, U.N.C. gained a third and fourth respectively.

Carolina's field events performed very well Saturday. David Lassiter gained a second in the high jump, while Sonny Kornegay came through with a third in the triple jump. Ron Short and Felix Alley grabbed a second and a fourth in the shot put with Short coming back later to claim a third in the discus behind Pete Worthan's second.

Archie Hicks vaulted well enough to place a second in the state's pole vault performances. Tom Perry and Dick Laudington threw the javelin well enough to place second and fifth in the state.

Carolina will take its win in the State Championships back to Durham next Friday and Saturday to participate in the Atlantic Coast Conference Championships where Maryland's powerhouse will again be favored to win.

the season against Carolina and also was Clemson's third consecutive whitewash in four days.

Clemson pitchers have gone 35 straight innings without allowing a run and 43 frames without an earned run.

The loss for UNC ended the Tar Heels' eight-game winning streak but lengthened the Tigers' victory skein to six.

Carolina now holds a 14-8 overall record, 8-5 in the conference. Clemson has a 20-6 slate for the season and 6-2 in ACC action.

Parmer struck out seven and walked two in gaining his first shutout of the season. His 0.55 earned run average gives him the lowest ERA in the conference. He was tied with UNC's Gary Hill going into the contest.

After an hour's delay at the start because of a light rain, the Tigers scored early as they pushed across a single run in the second. Mike McCall led off the inning with a double to right and Howard Sharman doubled him home with a blow up the left center field alley.

Clemson scored its other run in the sixth on an error. Ron Zupa opened the frame with a walk and advanced to second on a single by Gary Helms.

McCall then rapped into a double play which seemingly bailed Buskey out of trouble but Charlie Thomas fumbled Sharman's hard grounder and Zupa scored from third.

Carolina threatened on several occasions but the team which sometimes resembles Chicago's old Hitless Wonders were unable to come up with the key hit.

Thomas opened the second with a single and went to second on a sacrifice but was left stranded as the next two batters flied out.

The Tar Heels blew their best chance to score in the third when Charlie Carr blasted a triple with none away. Skip Hull flied out to shallow right but Hill walked to give UNC runners at first and third with only one out.

Parmer retired the next two batters on a strikeout and a soft fly to end the inning.

UNC had potential threats in the last two innings but muffed his chances. Danny Talbott socked a one-out double in the eighth and advanced to third on an infield out before Parmer fanned Hull.

Bolick got a two-out single in the ninth but again Parmer rose to the occasion and forced the next hitter to sky out.

Towson Downs Heels Stickmen

By OLLIE PATTON
DTH Lacrosse Reporter

UNC's Varsity Lacrosse Team lost its seventh straight game to the Towson Tigers yesterday, 13-6.

The Heels played a very poor first half, but came back to give the Tigers a large size scare in the second half, scoring four goals while holding Towson to three.

Bob Morrison, senior co-captain, scored Carolina's only goal in the first quarter, while Mike Jarrell scored twice for Towson. Jarrell's goal was followed with two more, by Craig Biggs and Dick Steinke, to make score at the end of the quarter 4-1, Towson.

The second quarter was even worse than the first for Carolina as Towson outscored them 6-1. Pete Moister was the only Heel who tallied during the second period, his goal was unassisted. Towson's Mike Jarrell scored two more goals, while Dick Steinke, Jimmy Hamberger, Jim Saxon and Stan Crawford provided the additional tallies to make the score at the half 10-2, Towson.

It was Carolina's turn to shine in the third quarter, as the stickmen tallied three to Towson's none. All three were assisted showing that when the attack is clicking, it is quite effective. Bob Morrison gave an assist to Bill Bickler who pumped it in to start

things off. That goal was followed by one from Sandy Reider, with an assist by Tim Balch, the team's co-captain. Balch figured in the next tally also as he gave an assist to attackman John Callan, and the goal made the score at the end of the period, 10-5 in favor of Towson.

Carolina tried desperately to keep things going in their favor during the fourth quarter, but the Towson lead was too much to cope with. Tim Balch completed his fine performance by rifling in UNC's last score of the afternoon.

Towson then took over again and played a slowdown game, controlling the ball until the final whistle. During this period, they managed to score three times, Mike Jarrell, Buz Winchester and Larry Albright were the scorers.

John MacCorkle, a Carolina defenseman, did an outstanding job as did Bob Wood.
