

Phi Delt, Chi Phi Tie For Greek Championship

By BOB COLEMAN
DTH Sports Writer

Phi Delt and Chi Phi have each been credited with winning the Greek Week Field Day events held May first.

The winning fraternities each copped four firsts and a second in the five relays run by the nineteen fraternity pledge classes. DU was a third, a shade up on Chi Psi.

The eight man team for Phi Delt, winners of last year's event, had McKinnon, Gay, Caldwell, Hood, Davenport, Pollard, Wittworth and McCallister.

Chi Phi's members included Vic Hendrickson, Ed Finley, Buster Freeman, Mark Higgins, John McKellar, Jim Smith, Mike Mitchell and Ed Harrington.

The pledge classes were split into four groups to run the shuttle dash obstacle, tug-of-war, up-down and jump stick. In this last event the front man runs the course and returns to his line where he holds a bat with the next man which the other six members take turns jumping over.

In fraternity white softball Thursday Chi Psi White 1 jumped to a big lead and downed Phi Delt White, 8-3, to gain the finals scheduled

for this Thursday at 6 p.m.

Heath hit two doubles and a single, while Roberts ripped a two-bagger and a triple. The victors will meet the DU Hoopers 7-6 winners over Phi Kap Sig White.

DU saw a 6-0 lead go up in smoke but survived the big Phi Kap Sig inning when Allen doubled and came home with the winning run. Wallace walloped a homer and a triple.

Chi Psi Blue gave Phi Gam Blue an 8-0 lead before settling down to a methodical 11-8 win to gain the Blue semifinals.

TEP Blue earned the right to meet Chi Psi tonight at 7 with their 4-1 conquest of

Sigma Nu. Without an extra base hit the winners converted singles, walks and errors while holding Sigma Nu scoring to a homer by Higgins.

DU Blue got five runs in the first frame and held on against Delta Sig Blue, 5-3. Tonight at 6 the winners vie with Beta Blue, 5-4 come-from-behind winner over Phi Kap Sig.

Applications for intramural managing positions (worth \$200 plus) for next year are invited from students living in: Ehringhaus C, Grimes, Granville (A, B, E, G, H, I), James (A, E, F, G, H, I), Morrison (A, C, D, F, H, I) and Ruffin.

Regents Warn About Protests

GAINESVILLE, Fla. (UPI)—The state Board of Regents warned Monday that "retrogressive steps" such as student demonstrations at a number of schools around the nation would not be tolerated at Florida's universities.

The regents, acting in the wake of racial violence at predominantly Negro Florida A&M University on the night of Dr. Martin Luther King's

assassination, praised the calm state of affairs thus far on Florida campuses.

Regents Chairman Chester Ferguson of Tampa said the Regents are woking on Behalf of a good climate for learning in Florida and this effort deserves "consideration from both faculty and students before they abuse this."

Ferguson's statement, accepted by the board as a general statement of policy, commended "the great majority of students and faculty around the state for their calmness."

Ferguson's warning followed a report by Florida A&M president Dr. George W. Gore that a special committee on student-faculty relations had been set up at the Tallahassee school where classes were suspended for a week following the rioting.

Ferguson praised the "quick resolve and prompt action" by Gore and the A&M faculty in closing the school and handling the trouble. He also assured students at the school, who have expressed the fear that A&M might be merged with its cross-town neighbor Florida State University, that there are no plans for such a move.

WHC Finds Five Guilty

Two coeds were charged with leaving the dorm after closing hours and lying. They were found guilty and both were given indefinite probation.

A junior was charged with lying to a graduate counselor and vice-president of her dorm. She was found guilty and given indefinite probation.

A freshman was found guilty of lateness of one hour, 36 minutes. She was sentenced to seven nights of campusment and given a court reprimand.

Records Should Fall In Darlington Qualifying

DARLINGTON, S.C. (UPI)—David Pearson's track records at the Darlington International Raceway are expected to fall when qualifying begins Wednesday for Saturday's twelfth annual Rebel 400 stock car race.

Technical inspections and practice runs begin Tuesday

as 49 official entries compete for the 36-car starting field in the \$64,950 event.

Eight positions will be chosen daily Wednesday through Friday with the remaining 12 starting positions to be determined in a 20-lap qualifying race Friday afternoon.

Spartanburg's David Pearson holds the track records at 144.536 mph for four laps and 145.331 mph for a single lap.

Convention Walkout?

ATLANTA (UPI)—Gov. Lester Maddox said Monday it was possible he would walk out of the national Democratic convention, but "it is the last thing I want to do."

In the same prepared statement, Maddox unleashed a lengthy, withering attack on L. Gov. George T. Smith, and hinted he would not take Smith to the convention. Maddox has the final say on who the state delegates will be.

Although he never mentioned Smith by name, he referred to "so-called Democrats" who had said they would not go to the convention if the delegation was going to walk out. Smith is the only public official who has made such a statement.

"As far as I am concerned, those who have this attitude can stay home," Maddox said.

"I am a little more than bewildered with these so-called Democrats who exploit their own fabrication by saying they are not going to Chicago with Lester Maddox and a delegation that will walk out of the convention, when, if they were honest with the people and themselves, they would admit that none of them have ever heard Lester Maddox even suggest he plans to walk out of the convention," Maddox continued.

"I have never said that I plan to walk out of the Democratic convention. It is

the last thing I want to do. I hope it will not be necessary.

"However, I will not promise any person that I will stay in the convention hall if the nominees and the platform of the party are such as to be harmful to the Citizens of Georgia, our state Democratic party or our great state.

"If others would place their political party, be it Democratic or Republican, ahead of God, liberty, their country and law and order, as many of them are doing today, let them do so. But let the nation know that Lester Maddox will never compromise his God or country for a political party."

Maddox also referred to "one Democratic office holder" who he said had promised to stop his attacks on the governor, but who had

made numerous statements against Maddox in the past few weeks.

Apparently referring to Smith Maddox said "I am a little more than amazed with this man and others who will not keep a promise."

Maddox said he had worked hard to rebuild a Democratic party from "the shambles created by those who now cry the loudest" and added, "It will be sad indeed if the political blood suckers continue their attacks aimed at disorder, confusion and disunity that will destroy what little party we have left."

Still, without referring to Smith by name, Maddox said the lieutenant governor had never talked to him about the convention although he had made several public statements.
