

# Summertime South Spotted By Many Outdoor Dramas

The season of the outdoor drama will soon be upon us. Those interested in seeing America — and especially American history — are making it possible for this entertainment form to grow in numbers each year. The American Automobile Association reports that this year there are at least eleven such dramas scheduled.

Granddaddy of the outdoor dramas is "The Lost Colony," now in its 31st season at Manteo, North Carolina. The setting is Waterside Theater near Fort Raleigh, site of an early attempt to establish an English colony on the Carolina coast. This was the birthplace of Virginia Dare, first white child born in the New World. She

vanished mysteriously along with other members of "The Lost Colony." This year, "The Lost Colony" opens June 21 and runs daily except Sundays at 8:45 p.m. Tickets are \$3 reserved, \$2 general admission, and \$1 for children 6 to 12. Other outdoor shows this summer include:

**CROSS & SWORD** — St. Augustine, Florida, June 25 to September 3, 8:30 nightly except Mondays. Tickets: \$3 reserved, \$2 general admission. Children under 12 half price.

**THE BOOK OF JOB** — Laurel Cove Amphitheater, Pineville, Kentucky, July and August, 8:30 nightly except Sundays. Tickets: \$2.50 and \$3; children under 12, half price.

**THE LEGEND OF DANIEL BOONE** — Pioneer Memorial State Park, Harrodsburg, Kentucky, June 9 through September 2, 8:30 nightly except Sundays. Tickets: \$2.50 and \$2; children under 16, \$1.50.

**HORN IN THE WEST** — Daniel Boone Theater, Boone, North Carolina, late June through late August, 8:15 nightly except Monday. Tickets: \$3 reserved; \$2 general admission, children under 12 half price.

**UNTO THESE HILLS** — Mountaineer Theater, Cherokee, North Carolina, late June to late August, 8:45 Tickets: \$2, \$2.50 and \$3.

**TEXAS** — Pioneer Amphitheater, Palo Duro Canyon, Texas, June 29 through Labor Day, nightly except Tuesday. Tickets: Monday, Wednesday and Thursday, \$1.50 to \$3.50; Friday, Saturday and Sunday, \$1.75 to \$4.

**THE LIBERTY TREE** — Sesquicentennial State Park amphitheater, 12 miles north of Columbia, S.C., on U.S. 1, June 27 through September 1, nightly, except Mondays, at 8:30 p.m. Adults \$3; children \$1.50.

**THE COMMON GLORY** — Matoaka Lake Amphitheater, Williamsburg, Virginia, late June through Labor Day, 8:45 nightly except Sunday. Tickets: Reserved, \$3; general admission, \$2, children 6 to 12 half price.

**HONEY IN THE ROCK** — Cliffside Amphitheater, Grandview State Park near Beckley, West Virginia, late June to early September, 8:30 nightly except Mondays. Ticket prices not yet listed.

In addition, there is a historical drama presented aboard the old stern-wheeler Sprague, at Vicksburg, Mississippi. This one, "Gold in the Hills," is presented at 8:15 p.m. Friday and Saturday from early March to early September. Tickets: \$2.

With the summer comes a blossoming of pageantry, spectacle and dramatized folklore. . . . and the success of 'The Lost Colony' gave rise to a dozen other outdoor dramas in the South.

## Clinic Features Noted Pianists

**CHAPEL HILL** — Two outstanding musicians will be featured at the 18th annual piano clinic scheduled at the University of North Carolina here June 24-27, sponsored by the Music Department. Among this year's guests will be noted young pianist Arlene Portney and one of the country's "most brilliant concert artists," Stefan Bardas. Since Miss Portney, now 18, of Meadowbrook, Pa., began her formal training at age five, she has been appearing before the public. She was accepted as a scholarship student at the Curtis Institute of Music in Philadelphia at age nine. That same year she was chosen as soloist from 70 contestants to play the Mozart Piano Concerto in C major with the Philadelphia Orchestra at the Academy of Music. Since then she has appeared in numerous recitals with the Philadelphia orchestra and other places and on television.

At age 15 she was graduated from the Curtis Institute of Music — one of the youngest to hold this distinction. That summer she attended The American Conservatory in Fontainebleau, France, in master classes with Arthur Rubinstein, Mlle. Nadia Boulanger, Clifford Curzon, and Robert and Jean Casadesu. She was selected to perform for these great artists and closed the summer recital program. She is currently studying with Sascha Gogodnitzki at the Juilliard School of Music as a scholarship student. During 1968 she will perform at Carnegie Recital Hall, in Binghamton, Philadelphia, and Hunter College in New York, as well as the University here. She will also be appearing in performances for the Lincoln Center Fund of the Lincoln

Center for the Performing Arts in New York City. Currently resident pianist at North Texas State University, Bardas has performed widely all over the U.S. and Europe. He was formerly official pianist for the Chicago Symphony Orchestra and has been featured soloist in several important premiere performances of modern works under world renowned conductors. His repertoire includes all of the Chopin, Debussy, and Liszt Paganini Etudes, the 32 Beethoven piano sonatas, and the 24 Chopin Preludes. He made his debut at the Town Hall in New York in 1949, and has had an extensive concert career in Europe and the U.S. as soloist with major symphony orchestras. He was graduated from the Realgymnasium in Berlin in 1932 and won his artist diploma from the Academy of Music in Berlin in 1934. He won his

piano certificate from the Conservatorio Santa Cecilia in Rome in 1937 and his master of music at Illinois Wesleyan University in 1943. Bardas will also teach the Clinic's second annual three-week course in Piano Pedagogy, the first week of which is in conjunction with the Piano Clinic. Dr. William S. Newman of the UNC music faculty will direct the clinic. Last year more than 200 persons representing approximately 17 states from as far as the west coast and Texas attended. Other highlights will include a large exhibit of music and materials by Brodt Music Co. of Charlotte, a recital by exceptional students at four levels, and two social get togethers. Public school teachers may get credit for the clinic. Scholarships are offered for exceptional students. Further information may be obtained from the UNC Extension Division.
