Drug Decisions 'Not Consistent'

By J.D. WILKINSON
DTH Staff Writer

"The handling of cases (involving the illicit use of drugs on the UNC campus) has not been consistent with what we expected under the terms of the drug policy. Misunderstandings of the policy, regarding action on the part of the Dean of Men's office have been nothing short of tragic."

This was the comment of Student Body President Ken Day on the failure of the drug policy to operate as planned during the time since its Legislature.

The policy was passed after negotiation with the administration. It provided for a student-faculty-administration committee which would handle all cases of "illicit and improper" use of drugs by UNC students.

The drug policy included a provision requiring the legislature to approve a bill of procedure for the Student Faculty Administrative Committee before students could be seated on the board. Day said that as such a bill has not yet been presented to the Legislature, the drug policy still lacks official Student Government sanction.

Discussions have been held over the past few months in an attempt to draft a bill of procedures. These conferences involved Day as well as former Student Body Presi-

dent Bob Travis, former Vice-President Jed Dietz, presidential assistant David Keil, and Dean of Men James Cansler.

Ken Day announced Friday that after lengthy discussions during the past week a final draft of the proposed bill of procedures has been adopted.

The bill will be presented to the Legislature at the special session slated for Tuesday night.

"The bill will be accompanied," he said, "by a cover resolution that will set forth a proposed position for the Legislature to take with respect to the procedure of the Committee."

"There are signs of growing discontent with the drug policy among the students," he continued. "I expect a thorough sounding of dissenting opinions in the Legislature."

"I feel, in addition," he said, "that Student Government is going to have to reassess its position not only with respect to procedure, but also with respect to its official response to drug use on-campus."

The proposed bill of procedure will require persons investigating alleged offenses to inform accused students "that no information given...can be be-

It also places more emphasis on student participation in the investigation and disposition of all drug cases.

Grad Student Organization Started Here

A group of graduate students under the leadership of Peter Hartjen have been working during the past few weeks to lay the foundation for a Graduate Student Association.

The planned association will handle problems of common interest to graduate students of the diverse disciplines.

A short meeting will be held on Sunday, May 12 at 7:30 p.m. in Garrard Hall. All graduate students are invited to attend.

Student Teachers To Meet

Director of Student Teaching Ron Davis requests that all students who plan to student teach during the 1968-69 academic year and all university personnel connected with student teaching attend the Wednesday, May 15 meeting in 08 Peabody from 4-5 p.m.

At the meeting students will be given information on policies pertaining to the location of student assignments, living arrangements and transportation, the director said.

Potential student teachers are asked to arrange for experience in a classroom situation if possible before returning to school next year. Materials to be used in experimental teaching will be distributed at this meeting.

Any potential student teacher who cannot attend the meeting is requested to pick up the relevant materials at 302 Peabody between 9 a.m. and 4 p.m. after May 15.

Governor Nelson Rockefeller came in fourth with 115,937 votes, and President Lyndon Johnson was fifth with 57,362 votes. Vice President Hubert Humphrey received about 60% of the write-in votes with 2% of the total vote.

On the issue of military action in Vietnam 18% voted for immediate withdrawal and 45% for phased reduction of military effort in the national vote.

Fifty-four percent of the UNC voters favored reduction of military effort, and 16% voted for withdrawal. Fifteen percent favored an all out military effort.

The park is situated on the watershed of the Chapel Hill-Carrboro water supply.

Professor Daniel Okun of UNC's sanitary engineering department, urged that the expanded park would be provided with septic tanks at a high density.
