

Netters Annex Vacation Wins

By RUSTY CARTER
DTH Sports Writer

While most of the school spent nearly a week soaking up rays on one of the over-crowded eastern beaches, Carolina's varsity tennis team remained in sunny Chapel Hill. They didn't get to relax the strand or fight their way through ridiculous crowds of drunken college students, but they did make their "vacation" worthwhile.

Taking off only Easter Sunday and Monday, the netters played five matches in seven days and kept their record unblemished as they won all five.

The spring break wins moved the UNC team's record to 13-0 with the conference meets starting Saturday at Clemson.

Carolina began its streak with a 9-0 win over the Citadel on Wednesday before beating Harvard 6-3, Princeton 5-4, Presbyterian 7-1 and Virginia Tech 9-0.

Carolina's Jimmy Corn, Alan Lassiter and Bill Shivar, playing in the fourth, fifth and six positions, went undefeated for the entire five matches.

None of the UNC performers lost more than two bouts during the spring break play. Lee Langstroth, playing number one, lost only to Presbyterian's Jimmy Armaya 6-4, 6-3. Fred Rawlings lost to Princeton's Win Irwin 1-6, 6-0, 7-5.

Joe Dorn, playing on the number two court, lost twice. His first defeat came from Harvard's Rocky Jarvis 6-2, 6-2 and on the following day he fell to Princeton's Richard Howard 6-1, 3-6, 6-3.

In the doubles competition the UNC netters lost only three matches during the fifteen matches.

Corn and Rawlings played the number one spot against the Citadel and Harvard losing to the Crimson 6-4, 6-2.

Coach Don Skakle then moved to Langstroth and Doug Crawford, who also lost to Harvard, into the number one court for the final three days. Neither duo lost again.

The only other doubles loss came in the third court against Princeton. UNC's Dorn and Robert Tate lost 6-3, 12-10 to Rogers and Kayser.

Lacrossers Host Fairleigh Dickinson

By ANDY SCHORR

The lacrosse game that will be played on Navy Field at 3 p.m. Thursday should be a grudge match.

That's when the stickman from Fairleigh-Dickinson will face their counterparts from Carolina. The visitors plan to reserve the outcome of last year's contest when they lost 9-5 and end up victorious this season.

Fairleigh Dickinson has a 3-1 record so far this year having opened the season losing to Brown and then bouncing back and defeating Hartwick, Amherst and Harvard in the last two weeks.

The Tar Heels now have a 3-2 record having defeated Towson State 7-4 and losing to Virginia 7-3 over spring vacation.

Coach Shields of Fairleigh Dickinson believes Thursday's game should be an exciting one to watch and a close one. "We have basically the same team as last year when North Carolina beat us displaying some fine freshmen players. We won the two years before that, however, and we'd like to do that again."

Coach Parker of the Tar Heels thinks the game should be a rough one too. "Fairleigh-Dickinson should be tough just as they have been in the past."

A sometimes weak spot on the Tar Heel team, defense, Parker says is looking much better. "Against Virginia we played fine defense against a

very strong team."

Fairleigh-Dickinson Coach Shields recalled, "Last year when the Atlantic Coast Conference decided to let freshmen play lacrosse it added some fine talent to the North Carolina team. The Team we played here last season was probably one of the best teams we faced all year."

But probably the Carolina attackmen and midfielders will perform at their best knowing that the regular Tar Heel lacrosse fans are in the stands. Harper Peterson, Temple Grassi and Peter Brand play especially well when there is a friendly crowd cheering them on. They hope that will be the case for Thursday's game.

Now Volkswagen brings lasting relief to left feet.

Thanks to a new miracle ingredient in our little car called the automatic stick shift* you can finally say goodbye to the clutch pedal. How does this new ingredient work? Two ways.

First it provides continuous unemployment for your left foot.

Second it provides near unemployment for your right hand. (The only time you ever shift is when you go over 55 mph.)

Yet even with its new ways the bug continues to uphold the old ways.

It takes only small amounts of oil. Absolutely no water. And absolutely no antifreeze.

Best of all, it still delivers about 25 miles to a gallon of gas. Don't you feel relieved already?

International Week Offers Free Education In Sports

By RUSTY CARTER
DTH Sports Writer

International Week at Carolina will include sports this year in an attempt to educate Americans in more events than football, baseball and basketball.

The week-long festivities begin Friday and most of the weekend will be devoted to sports activity.

Mark Packard, co-ordinator of the 'I-Week' sporting events, said Wednesday that there will be an event every afternoon this weekend and the activities will be spread over campus so everyone can see at least one.

"The idea is to get Americans to realize there are other sports played in other countries and in different ways," Packard said.

The weekend will begin with a Saturday morning soccer game on Ehringhouse Field. An international side will face a team picked from UNC undergraduates.

Saturday afternoon the UNC Rugby team, made up of many foreign students, will meet the University of Georgia side on Navy Field.

This is one of the scheduled UNC meets but because of the number of foreign students participating it was chosen as part of the I-Week games.

Crickets will finish the weekend on Sunday afternoon at 4:00 on the intramural fields. Both sides will be fully international with most of the competitors coming from Commonwealth nations.

As an extra event I Week is sponsoring an international

badminton tournament Sunday night composed of teams primarily from the Far East countries.

About 50 foreign students are expected to take part in the weekend games from many different nations. Packard, an All-American soccer player himself, will play.

"There are some outstanding performers," the Suffolk, England native reported. "It should be very interesting and we thought Americans did not know enough about foreign sports."

Packard mentioned Jehangir Khan, an outstanding cricketer from Pakistan as one of the top performers of the weekend.

DU, Chi Phi Take Big Soft Ball Wins

DU's W.C. Fielders shut out Pi Lambda Phi, while erupting for 12 runs of their own to win big in intramural softball action.

Chi Phi pushed across three runs in the sixth inning to ease past AK Phi in a closer contest, 7-5. AK Phi fielding, in the form of two errors, helped the Chi Phi score the winning runs.

Chi Phi White overcame fielding inconsistency against Phi Delta White in time to administer an 11-2 whipping.

Sigma Nu Blue pushed across three runs in the first two innings, then held on to topple Sig Ep Blue, 3-1.

The Odom Village Others pounded out six runs in the first two frames against the Law Bums and managed to hold on for a 7-5 victory.

In other games, the Chi Phi Red swept the DKE White, 8-3; DU's Wheat Fielders outscored Kappa Sigma White, 12-8; Phi Kappa Sigma downed Chi Phi White, 11-4; St. A White defeated ATO White, 8-4; DU dumped Chi Phi Blue, 8-2; SAE Blue trumped Phi Sigma Kappa Blue, 12-5; AK Phi Blue hammered Pi Kappa Blue, 12-7; Delta Sigma White bombed the Sig Ep White Russians, 18-7; and the DU Easter Seals buried Phi Kappa Sigma Green, 14-3.
