Coach Sanders

Gymnastics has become the 14th varsity sport to obtain sponsorship by the UNC Athletic Association with Fred Sanders being named head coach.

Sanders, also diving coach, is very optimistic about the coming season when all of the 1969 team will be returning.

This past year the team, operating on its own, compiled an 8-4 record and finished eleventh in the regional tournament held in Georgia.

The schedule is incomplete at this time but will probably include meets with Virginia, Wake Forest, Furman, Georgia, and Georgia Tech.

Expected to lead the team are Frank Jeffries and Dave Gerber and several incoming freshmen should add lots of depth.

The season runs concurrently with basketball. Anyone interested in participating should see Coach Sanders.

Two UNC lacrosse stars have been named as All American performers on the first team. HARPER PETERSON and PETER KRAMER led the way for the Tar Heel team this past season. Kramer, a native of Fayetteville, was outstanding as the teams goalie and Peterson, from Hunting, N.Y., set a school record by scoring 26 goals.

Coach Fred Mueller commented, "Both are truly outstanding players are were deserving of national recognition."

Entry Deadline Is Today

Intramural competition will be held this summer in softball and tennis, the UNC Office of Intramural Activities announced this week.

Today is the deadline for all entries in both sports.

In softball, a round robin type of tournament will be held. Games will be scheduled at 4 and 5 p.m. Monday through Friday. A team must be willing to play at these times. Trophies will be awarded at the end of the season.

All players must be enrolled in the University for the first summer session in order to be eligible for the competition. A player may play for any one team.

Each manager must enter his

team on an entry sheet which may be obtained in the Intramural Office, 215 Woollen Gym. Play will begin Monday, June 16.

Schedules for softball will be available every Friday in the Intramural Office. Rules may be picked up in the office when the entry sheets are turned in.

Tennis will be open to all students this summer. The intramural office plans single elimination tournaments, as well as singles and doubles tournaments.

Entry sheets, which are available in 215 Woollen Gym, should include the student's address and telephone number. Official ruling for the tournament is available in the Office also.
