

ZBT Tops Frats In QP Averages

Zeta Beta Tau achieved the highest scholastic ranking among fraternities for the year 1969-1970 with an average of 2.9046.

The average includes brothers as well as pledges.

Chi Psi placed second with 2.8672 and Delta Upsilon third with 2.8417.

The all-fraternity average of 2.5206 topped the undergraduate non-fraternity men average for the year of 2.4026. The combined average of all men on campus is 2.4266.

Lambda Chi Alpha and Sigma Chi spring pledges were the only pledge classes in which each pledge maintained a 2.0 average throughout the semester.

The all-fraternity average has steadily improved since 1965 when the average was 2.288.

The rest of the top ten for the year were: 4) Tau Epsilon Phi, 5) Sigma Phi Epsilon, 6) Lambda Chi Alpha, 7) Phi Gamma Delta, 8) Beta Theta Pi, 9) Phi Delta Theta, 10) St. Anthony Hall.

The figures were compiled and released by the office of the Dean of Men.

Cadet Carol Earp

Carol Earp Becomes First Cadet At UNC

A new ROTC uniform will be seen on campus this year—at least by one Air Force cadet. In fact, Cadet Earp will be wearing a skirt.

Carol Earp of Chapel Hill became the first female cadet of the Air Force ROTC unit here. She will be wearing the new women's Air Force uniform with ROTC insignia.

In theory at least, her status will be the same as that of other cadets. She will attend classes in aerospace studies and participate in drill.

"It's something I have wanted to do for a long time," she said.

Carol's father retired from the Air Force last month as a chief master sergeant. However, she said, the decision to join was her own. She added that her parents were glad she joined.

Capt. Dennis Gilchrist said he was at the Air Force booth during registration Tuesday when Miss Earp announced her decision.

Science Talk Set

UNC News Bureau

Professor Geoffrey Wilkinson of the Imperial College of Science and Technology, London, will present the first Venable Lecture for 1970-71 academic year at 207 Venable Hall, Wednesday, September 23, at 8:30 p.m.

The Venable Lecture Series honors the late Professor Francis P. Venable who was a former chairman of the Department of Chemistry, later president of UNC and twice president of the American Chemical Society.

Professor Wilkinson will speak on "The Mechanism of Hydroformylation."

Law Students Establish Corporation For Grants

by Lana Starnes
Staff Writer

A corporation established for the purpose of granting tuition and fees scholarships to incoming law students has been organized by students in the UNC School of Law.

The UNC Student Bar Foundation, Inc. is a tax-exempt foundation begun last April.

Bob Farris, president of the Bar Foundation, said the scholarships are given in accordance with need, as well as to disadvantaged students.

The scholarships are given to N.C. students in hopes they will remain in the state to practice. In this way the foundation plays a part in helping to increase the quality and quantity of lawyers in N.C.

The Student Bar Association, which works closely with the foundation, has given the foundation a grant of \$300. The Bar Association is composed of all student enrolled in the School of Law.

The foundation operates on a contribution basis. Hart said the corporation hopes to have a 100 per cent response from students and faculty. The goal for this year is \$10,000.

According to Hart, \$5000 will be placed in an investment fund. The other \$5000 will be awarded immediately. Fund raising activities are also projected for the coming year.

The long range goal of the foundation is to provide students who wouldn't otherwise be able to attend law school a three year guaranteed financial resource.

Law student Tom Kastner said the foundation was organized by the law students because they were tired of the quantity and quality of scholarships granted by the School of Law. The

foundation functions with no ties with the faculty or administration.

"The general idea is that law students are helping other law students go to school," Kastner said.

The affairs of the corporation are managed by a Board of Directors. The Board includes the president, vice president, secretary and treasurer of the Student Bar Association and five upperclassmen law students, elected by the Board of Governors of the Bar Association. Exofficio members of the board are the chancellor, the director of development, the dean of the School of Law and the director of Institute of Government.
