Flowers, ice cream and outdoor track

Ahh...the joys of springtime

by Jim Thomas
Sports Writer

Spring—ice cream, braless women, sunbathers, class cuts and finally a chance to see Tony Waldrop run.

For a world record holder Waldrop has been inconspicuous on campus, but when the spring track season begins March 23 against Clemson, the well known-unknown will be out in the open for all to see.

Although Waldrop is the headliner there are several other outstanding performers returning from last year's team which finished fourth in the ACC.

However, the newcomers will have to come through if the Tar Heels are to overcome the loss of Reggie McAfee, Lennox Stewart, Hubert West and Darryl Kelly.

McAfee was the ACC mile champion with 3:59:3 last year and finished third in the NCAA behind Dave Wottle and Waldrop.

Kelly leaped 49-1 1/2 in the triple jump to place second in the conference meet.

Stewart and West, who is now a UNC assistant coach, were standouts in the 880 and broad jump respectively.

Despite the loss of these stars the Tar Heels will have a better team this year. Carolina will fight it out with N.C. State and Duke for second place behind Maryland.

"We will have a stronger lineup and more depth in everything except sprints," said coach Joe Hilton. "Our lack of speed will hurt us in the quarter mile and mile relays however we should be strong in the field events and distances."

Hilton is counting heavily on the jumps and weights for some points this spring.

Sam Beasley and Hank Snowden will try to fill the shoes of West and Kelly in the long and triple jumps. Beasley won the long jump at the ACC

Danny Deacon

Tony Waldrop

Indoor championship last weekend with a leap of 24-4 3/4 and was second in the triple jump with 49-7 3/4. Snowden has leaped 23 feet in the long jump.

Several football players should contribute significantly to the track team. Terry Taylor heads the list of returnees in the weight events. Taylor was second in the discus last spring with a 156-8 and has placed in the conference meet every year.

Mark Gaines finished third in the shot put last weekend with a toss of 50-1.

Freshman Mike Voight zipped to a 7.4 in winning the high hurdles indoor championship.

The pole vault is manned by co-captain Danny Deacon and Dave Robinson. Deacon, who was injured most of the indoor season, has a personal best of 15-6 while Robinson has vaulted 14-6.

Tommy Ward, William Southerland, Mike Stratford and David Hamilton will alternate in the middle distances.

Ward finished second in the ACC indoor mile behind Waldrop, running a career-best of 4:09, while Southerland and Stratford have performed well in the 880. Hamilton finished fourth in the two mile run with 9:03:2.

Winter intramurals end slates

by Susan Shackelford
Sports Writer

Highlighting intramural action, Phi Delta Theta grabbed the all-campus basketball crown last Monday with a three-point win over the Granville B Stuffers, 39-36.

Tom Pritchard led the Phi Delt with 10 points, and in the second half Alan Mayfield hit five of eight from the line. Granville's Robert Redfern had 10 in the first half, but only managed two after half-time.

In women's intramurals Dana Murdock took the badminton competition. Melanie Spain finished first in table tennis, and Joan Barnes second.

Women's basketball tournaments now underway will determine the top team by the end of next week. Men's basketball concluded with the all-campus playoff.

In the male point totals, which include handball and

bowling, Beta Theta Pi moved into first place among fraternities in the blue league with 778.08, sending previous leader, Phi Delta Theta, into fourth at 706.69.

Second place is held by Pi Kappa Alpha at 721.07. With 718.75, Sigma Phi Epsilon stands third.

For sororities, KAT is out in front comfortably with 326. Tri Delt's rank second at 272, KKG third with 232, and Alpha Delta Pi fourth with 208. Among residence halls, Parker remains without a significant challenge, boasting 829 points. Second is Joyner at 468, 361 behind Parker.

Teague preserved the top spot among men's dorms with a total of 920. The second, third and fourth places also stayed unchanged. Avery—820, Everett—630, Lewis—617.

In the fifth position, Ehringhaus A dropped to tenth, knocked down by Graham with 586.

Only 21 points separates the first and third place teams in the grad-independent league. In first, the

Peacocks have 809 and are the defending champions in the upcoming softball competition.

Law is 11 points back at 798. X-Teague claims third with 788. The battle seems to rest with the top three clubs, as MBA holds fourth 281 points behind third.

Handball winners in the different divisions were: fraternities, St. Anthony's Hall; residence halls, Avery-Gutless Wonders; and grad-independents, MBA.

Men's badminton and softball start Monday, March 5. A mandatory clinic for persons who want to officiate at softball games will be held today at 4 p.m. in 304 Woollen. The meeting will last approximately one hour.

Intramural director Ron Violette is now recruiting office personnel and intramural managers for next year. The part-time positions currently pay \$1.85 an hour and involve eight to 17 hours a week. Applications may be picked up at the intramural office, 215 Woollen.

Spencer is champ

Ken Spence, a UNC junior from Hickory, won the state weight-lifting title in the 165-pound division at an Amateur Athletic Union (AAU) meet held in Raleigh Feb. 23.

The meet, which was open to all North Carolina members of the AAU, was held at N.C. State and was attended by about 60 contestants.

Weightlifters in nine divisions, ranging from 123 pounds to the "Superheavies", competed for the state title and top-rankings going into the State championship meet May 4.

Spence lifted a total of 1,240 pounds in the squat, bench-press and deadlift to edge out four other contestants.

Two other UNC students, Chuck Cole and Mike Beam also attended the meet, grabbing third-place titles in the 181-pound and 242-pound weight-divisions respectively.

RICHARD WILMOT-SMITH PRESIDENT

STUDENT GOVERNMENT DOES NOT EXIST

Students have no say in what directly effects them, so promises are useless in this campaign. What is required is a new system whereby the administration will no longer be allowed to get away with its arbitrary and high-handed dealings, but will be forced to pay closer attention to the needs and opinions of students. A University Forum (1/3 faculty, 1/3 students, 1/3 administration) to decide university policy is a viable way in which this can be done. Such a system has been adopted and works well in Europe. This will give the students power of initiative and reform and at last make student government what it really should be.

RICHARD WILMOT-SMITH PRESIDENT
