

Club sails to Bahamas

by Jane Currence
Sports Writer

Joe Namath was lucky this spring. While dining on the island of Bimini, he was personally invited to party with the UNC Sailing Club during their cruise in the Bahamas. Although Namath couldn't make it this time, he'll have his chance again in May and again in December. Bahama cruises are a tri-annual event for the Carolina sailors.

Bert Mathews, club president, talks enthusiastically about the activities enjoyed by the crew on the 1974 spring break.

"We went scuba diving and snorkeling off of reefs and ships in the Caribbean. At night we partied in Nassau, Freeport and other cities. We did most of our sailing at night, depending on the weather," he said.

Where the 65-foot yacht ventures depends on the students, the captain and, of course, the weather. But the May crew is already aiming for Bimini, Nassau and several other small Bahama islands.

Although current members of the UNC Sailing Club receive preference on the first-come-first-serve sign-up, any student may go. He receives automatic membership by paying \$225, the cost of the trip, which includes transportation to and from Miami, the boat and captain, all food and part of the liquor expenses.

Mathews encourages all students to get involved, as there is no danger for a novice. "This year's captain, Joe Schaefer, is our favorite," he said. "He's really nice to everybody and takes a personal interest in our welfare. He's like an Ann Landers and he also watches for sunburn and sickness. He's an experienced skipper."

If a student is lacking in boating

experience, this is one fun way to get it.

"You get a lot of direct experience in handling a big boat," Mathews said. "And if you really want to learn a lot about sailing after the trip, the club itself is a great help."

For \$6 per semester or \$10 per year, the sailing club holds lessons on nomenclature and the points of sailing. Two or three weekend outings a month provide practice for the newcomers and racing for the advanced sailors.

"We are a member of the South Atlantic Intercollegiate Sailing Association," Mathews explained. "Besides teaching and pure pleasure, this is our third major purpose."

The club itself is a non-profit organization. "There are 60 to 70 members in the club," Mathews said. "Their dues cover the cost of literature."

"We own four sailboats now and I allow any member to take them out provided he has a knowledge and ability to sail," he added.

Only two years old, the sailing club has received much support from its equally divided male and female membership.

Jim Stewart, a Carolina sailor of one year, itemized the benefits of his own participation. "I get to enjoy my sailing as I learn more, and it's a chance to race, party and meet people."

Parker dorm eyes All-Sports Cup

by Karen Howard
Staff Writer

With only three remaining women's events, it appears that Parker dorm will capture the All-Sports Cup for its second consecutive year. Parker, leading the residence division with 1146 points, is followed by Joyner, 657.

Leading sororities is Kappa Alpha Theta with 531 points. Also trying to win the cup for the second time, Delta Delta Delta follows Kappa Alpha Theta with 417 points.

The two All-Sports cups will be given at the Awards Picnic, April 18, to the dorm and sorority accumulating the most points. The

cup may be retired after it has been won by the same organization for three consecutive years.

Various other awards are also presented. Senior awards, given to those seniors outstanding in various events, are selected by the Women's Intramural Association (WIA) Executive Board and Council.

Outstanding Representative awards are presented to dorm and sorority WIA representatives most efficient in their duties. The woman who has not won an event but is felt to be the most determined and enthusiastic toward athletics will receive the Chris Nevins Award. This award is chosen

This... That

Well, well all you soccer buffs... it's that time of year again. Yes... that's right... spring practice.

We knew you were waiting with baited breath on that one and we just couldn't wait to tell you. Spring practice for North Carolina's varsity soccer team will begin Monday, April 8, on the famed Astro-Turf at Navy Field.

Head Coach Marvin Allen is now scouring the campus, looking for all the returning varsity players who have been trying to hide to avoid conscription. He encourages all students interested in trying

their hands (figuratively speaking) at soccer to come by his office at Woollen Gym.

The countdown for Hank begins today. The baseball season has finally arrived, and today Jack Billingham and the Cincinnati Reds will face Henry Aaron and the Atlanta Braves for Round One of the When Will Henry Hit It Sweepstakes.

After the Aaron excitement subsides, the 24 major league clubs will be vying for the four division championships.

A two-part series by Fred Stern and Ricky Willenzik analyzing the pennant races will begin tomorrow.

Graduate Students defeating Ehringhaus in the final game.

Tennis is played twice a year, both in the fall and in the spring. Weather has delayed the spring matches, but the fall matches left Karen McKee of Granville East the champion in singles, with Nancy Hamner and Betsy Strange of Chi Omega taking the doubles championship.

Badminton singles was once again dominated by Dana Murdock, with the doubles championship going to Deb Schenke and Ann Marie Wagstaff.

The table tennis and bowling leagues were won by Melanie Spain and Kappa Alpha

Theta's Robin Livingston, respectively. Although volleyball and softball have a high forfeit rate, they are still two of the favorite sports. Joyner captured the league title in volleyball while Parker won the softball championship.

Parker dominated the October swim meet. The 25-yd. breaststroke was taken by Linda Sherman, the 50-yd. two-stroke and the 25-yd. butterfly were taken by Barbara Feldkircher and the 100-yd. medley relay was also taken by Parker residents. Joyner's Carol Browning won the 25-yd. freestyle and Jean Ann Jones of Alpha Delta Pi won the 25-yd. backstroke. Alderman won the 100-yd. freestyle relay.
