

Candidates file for RHA head

O'Neal, Nance declare for co-presidency

Former Residence Hall Association (RHA) President Mike O'Neal and Lars Nance announced Monday they will run for co-presidents of RHA in campus elections October 2.

Betsy Jones, who ran for RHA president unsuccessfully against O'Neal last spring, has filed to run again but has not officially announced her candidacy.

Nance, a junior, is Governor of Henderson Residence College. "Primarily what I'll be responsible for is external policy

decisions," Nance said. Calling it his area of experience, Nance said he would function as liaison between RHA and the Department of Housing and Student Affairs.

O'Neal said he would be responsible for internal affairs such as staff recruitment, internal direction, programming and dealings with the Men's and Women's Residence Councils. O'Neal said internal direction was most crucial to RHA now.

"We're running on our merits," O'Neal said. "We're going to do everything we can to

reach every dorm within seven days."

O'Neal resigned the RHA presidency Sept. 13 when a conflict between the RHA constitution's housing requirement and his housing assignment could not be resolved.

That constitutional requirement has since been amended by the MRC and WRC, but O'Neal moved into Granville Towers Friday. Granville is a member of RHA, but Craig Graduate Center, where O'Neal had been assigned, is not.

O'Neal said his name had been on a

waiting list for Granville since April 7, and that two people moved out of Granville Thursday giving him the necessary vacancy.

O'Neal and Nance said they were approached Friday night by members of the RHA Governing Board who suggested they run as co-presidents.

The two said they did not anticipate any formal endorsement by the Governing Board but said they had already contacted more than half the board members and received assurances of their support.

O'Neal said he did not expect any conflict over policy decisions to arise because each co-president will be in charge of different areas of policy. "If any difference comes up and the decision is in Nance's area, my decision will be deferred to him," O'Neal said.

O'Neal said because this was a fall campaign, they would present very specific proposals as well as presenting the concept of co-presidents and how it will work.

Taylor to decide police work shifts

The State Personnel Board has ruled against several UNC campus policemen who protested an exchange program which required them to switch work shifts.

"The setting of work hours and schedules of the campus police is management's responsibility," the board said Monday in a letter to Chancellor Ferebee Taylor. The board did not recommend suspension of the program.

The final decision in the matter will be made by Taylor, campus security director Ted Marvin said.

"Whatever decision is made by Chancellor Taylor will be the course we will follow," Marvin said.

Officer Unice Sparrow, spokesman for the discontented officers, declined to comment on the board's recommendation until Taylor's decision.

The officers had brought their grievances to the personnel board Sept. 13. In addition to the exchange program, they complained of a lack of communication between officers and administration personnel.

MONTEZUMA'S OFFICIAL GUIDE TO THE ANCIENT TEQUILA ARTS.

The Aztec Empire. It's long gone. However, modern man is rediscovering its secrets.

A key to the rediscovery is the Sun Stone, a sort of time-capsule that outlines the history of the Aztecs and, according to Montezuma® Tequila, what the Aztecs liked to drink and when they liked to drink it.

Within the inner ring of the Sun Stone are twenty symbols; one for each day of the Aztec week. Each symbol also suggests what kind of drink might be appropriate to serve on that day.

XOCHITL
Montezuma Margarita
The flower symbolizes the last day of the Aztec week, representing the ultimate in true beauty and pleasure. The drink: 2 oz. Montezuma Tequila; 1/2 oz. Triple Sec; juice 1/2 lime; pinch of salt; stir in shaker over ice; rub rim of cocktail glass with lime peel and spin in salt; strain shaker into cocktail glass.

CALLI
Tequila-Pineapple Liqueur. The 3rd day of the Aztec week is symbolized by a house, representing hospitality and at-home entertaining. The drink: fill a jar half way with chunks of ripe pineapple; pour Montezuma Tequila to the brim; add 1 teaspoon sugar (optional); cap jar and place in refrigerator for 24 hours; drain off liquid and serve as an after-dinner liqueur.

MAZATL
Horny Bull™ Cocktail. A horned animal symbolizes the 7th day of the Aztec week, representing high-spirited and casual fun. The drink: 1 oz. Montezuma Tequila over ice in unusual glassware, mason jar, jelly jar, beer mug etc.; fill with fresh orange juice or orange breakfast drink.

QUIAHUITL
Tequila Fizz. The rain symbolizes the 19th day of the Aztec week, representing cool refreshment. The drink: 2 oz. Montezuma Tequila; juice 1/2 lime; 1/2 teaspoon sugar; two dashes orange bitters; stir in a tall glass over ice; fill with club soda; garnish with lime shell.

ATL
Tequila Straight. Water symbolizes the 9th day of the Aztec week, representing simple and uncomplicated pleasure. The drink: Pour 1 1/2 oz. of Montezuma Gold shot glass. Put salt on back of thumb; hold a wedge of lime between thumb and 1st finger; lick salt, drink Tequila, bite into lime in one flowing motion.

Montezuma Tequila. In White. In Gold. Made in the tradition of the finest ancient tequilas. For additional Tequila Arts recipes, write: Montezuma Tequila Arts, Barton Brands, 200 South Michigan Ave., Chicago, Illinois 60604. And may Tonatiuh* smile upon you.
