

# Council formed to book bands

by Art Eisenstadt  
Staff Writer

For dormitory, fraternity and sorority social chairmen who have gone through the hassle of trying to book a band or rent a movie projector, relief is here.

The creation of the Campus Program Council, a two-week-old semi-independent Student Government organization should help.

Basically, the council will consolidate the purchasing power of residence halls and Greek organizations to obtain bands, movies and speakers.

"Where this council comes in is that everyone living on campus or in a fraternity or sorority will be able to pool their buying potential," council president Mike O'Neal said.

O'Neal, the former Resident Hall Association (RHA) president, was selected as head of the

council Tuesday night during a meeting of some 25 unit social chairmen.

"It really has just unlimited potential," O'Neal said.

For the immediate future, the council will serve three main functions:

- It will serve as a central entertainment booking agency for all member units. "What we're going to do is avoid some of the booking problems and costs," Delta Upsilon social chairman Drew Cobbs said.
- Previously, dorms could work together through the RHA program board, but fraternities and sororities were pretty much on their own.
- O'Neal said, "Everyone will qualify for a discount booking rate when we go to a booking agency with the resources of nine of ten thousand students living on campus, instead of each individual dorm."
- It will compile a catalogue of bands, speakers and films available in the area.
- "Hopefully, the people in the office will know their stuff, and the inexperienced social chairmen could come to us for help," Cobbs said.
- It will provide free projectors and sound equipment on a check-out basis.

CGC granted the organization \$800 for office supplies and business expenses. All programming funds will be paid by dorms and Greek organizations strictly in return for services provided.

"There's no pressure, there's no attempt to sell anything to them," O'Neal said. "If they don't want to do anything connected with the program, they simply don't put money into it."

The committee estimates it will handle about \$3,300 this year.

One major program has already been set up under the council. Several North and South Campus dorms have paid 30 cents per resident for a series of eight movies.

The films include four nostalgic flicks and four late-run shows. Each film will be shown twice for one week, once in Chase Hall for South Campus residents and one in a yet undetermined North Campus location.

Students in the participating dorms will receive passes to attend the movies.

"Carr dorm will pay \$14 in fees for this," O'Neal said, "and for that they get \$1,200 worth of films, and all they have to do is walk across the street to Hamilton Hall or wherever."

## London tour offered

A unique study-travel program, combining the opportunity to earn six hours of college credit with the educational experience of living in London, England, is being offered for summer 1975 by the UNC Extension Bureau.

Dr. Gerald Unks, program director, said Monday that students could receive credit for English 58 (Shakespeare) and Education 41 while spending time in one of the world's greatest cities.

The total price of the tour, \$827, provides roundtrip jet air transportation from Washington, hotel accommodations for 31 nights at the London Royal Hotel, all breakfasts, tuition and fees for a six semester hours of extension credit. A tour of Stratford-Upon-Avon, two London theatre performances and visits to British schools are also included.

"Costing out the arrangements, it may be more expensive, per credit hour received, to receive six hours in four weeks in London than it is to receive six hours in six weeks in Chapel Hill. This is particularly true for out-

of-state students," Unks said.

All participants will be enrolled as members in the International Students Club, which provides an opportunity to meet other students from many countries as well as complete library and recreational facilities and many cultural programs.

Unks and Dr. Christopher Armitage, who will instruct the English course, will accompany the group. Armitage will attempt to bring British poets and playwrights to talk to the students.

Unks cautioned that the number of spaces in the two courses is strictly limited by the number of seats on the chartered flight.

"If you sign up now, you are guaranteed a place in the courses. If you decide to withdraw prior to Feb. 25, you will lose only \$5. If you wait to sign up, we cannot guarantee you a place," Unks said.

To register and reserve space for the trip, students should report to 202 Abernathy Hall. Questions should be directed to the Extension Division at 933-1140 or Unks at 933-2177.

## Rash of auto accidents

An unusually large number of traffic accidents were reported to Chapel Hill police over the weekend, Lt. Arnold Gold said Monday.

Gold said 25 accidents were reported this weekend, but there were no serious injuries. On a typical weekend there are eight or 10 reports, he said.

Gold attributed most accidents to the traffic problem resulting from the Carolina-State game Saturday and from parties after the game.

## Exchange sponsors contest

Photographs of campus or Chapel Hill life may be entered in the Toronto Exchange-sponsored photo contest starting Wednesday.

The Exchange, a group of 34 UNC students who will visit the University of Toronto in January, is holding the contest to raise funds for entertainment of 34 Toronto students scheduled to be here Nov. 14-19.

Contest participants must pay a fee of \$1 for the first photo and 25 cents for each additional one entered, contest co-ordinator

Harvey Bolgia said Monday. Photos may be any size, color or black-and-white, and must have been taken and developed by the entrant. All entries must be entered by Nov. 7 at the Union desk.

The best 25 photos, to be chosen by the Exchange members on the basis of uniqueness and originality, will be exhibited in the Union Music Gallery as one of several Toronto Week activities slated for Nov. 14-19. The first-place photo will appear in the DTH during that week and also in the 1974-75 Yackety-Yack.

Other activities tentatively scheduled for the week include a square dance in the Tin Can and a carnival in the Pit, both open to all students. The Toronto visitors, who will be house guests of their 34 counterparts during the week, will also be challenged to a volleyball game against the home Exchange members. UNC students will be invited as spectators.

Further information about the photo contest may be obtained at the Union desk starting Wednesday.

## Campus Calendar

**Today's Activities**

The Instant Loan Service will not be operating Oct. 21-25. Any loans during that time are automatically extended to Oct. 28.

The Zoology Library will be closed today.

Charismatic Christian worship service to be held 7:30 tonight, Presbyterian Student Center Lounge (behind Hecton's), Call 942-3592 for info.
