Student Government has scheduled a series of films to be shown in dormitories, fraternities and sororities.

Presidential aide Rick Buttner said dormitories, fraternities and sororities were sent letters inviting them to take part in the film program. Dorms that were willing to commit \$30 per resident from their social funds will get "free" passes for all their residents. Individual tickets for each movie will be available for \$1.25 and series passes are also available for \$7 in Suite C in the Union, Buttner said.

"Times and places of each movie will be announced on posters and in the DTH the week of the movie," Buttner said.
