

Skiing's sweet at Sugar

a photo essay
by Margaret Kirk

It may not be the Alps in Innsbruck, Austria, site of the Winter Olympics, but Sugar Mountain in Banner Elk, N.C. has had its share of ski buffs this winter. The hotdoggers and snowplowing beginners had plenty of snow on which to test their skills . . . at least until February surprised skiers with warm temperatures which melted the snow and left the snow bunnies high and dry.
