 ON CAMPUS

TO CATCH A THIEF—Alfred Hitchcock's witty and sophisticated thriller, in which suave Cary Grant, playing an ex-jewel thief, becomes the object of suspicion when a wire of jewel robberies hits the French Riviera. Grace Kelly is the sexy love interest. (Alternative Cinema. Shows at 7 and 9:30 p.m. Tuesday, in 101 Greenlaw. Admission: \$1.25.)

O DREAMLAND AND THIS SPORTING LIFE—Two Lindsay Anderson films; one a satiric look at an amusement park, the other his abrasive first film with Richard Harris as a brutish rugby player in love with a widow (Rachel Roberts). (Union Free Flick. Shows at 8 p.m. today in Great Hall. Admission: 50¢.)

CHAPLIN: THE TRAMP, THE IMMIGRANT, THE VAGABOND—Three of Chaplin's finest shorts, masterfully funny and with Chaplin's own winning brand of sentimentality. *The Tramp* is the first appearance of "the little fellow." (Alternative Cinema. Shows at 7 and 9:30 p.m. Thursday in 101 Greenlaw. Admission: \$1.25.)

IF—Lindsay Anderson's satirical version of English boarding schools and violence. It's a bit confused at times, but Malcolm McDowell's presence helps. (Union Free Flick. Show at 8 p.m. Wednesday in Carroll Hall. Admission: 50¢.)

O LUCKY MAN—Malcolm McDowell, as a rising young businessman, encounters all sorts of strange events and people in this modern "Pilgrim's Progress" by Lindsay Anderson. With an excellent score by Alan Price. (Union Free Flick. Show at 8 p.m. Thursday in Great Hall. Admission: 50¢.)

The Story of O

The masterpiece of bizarre love that stunned France

An Allied Artists Release
 NO ONE UNDER 18 ADMITTED

The Program of the Year isn't on TV. It's in the Air Force ROTC.

Look into Air Force ROTC. And there are 4-year, 3-year, or 2-year programs to choose from. Whichever you select, you'll leave college with a commission as an Air Force officer. With opportunities for a position with responsibility... challenge... and, of course, financial rewards and security.

The courses themselves prepare you for leadership positions ahead. Positions as a member of an aircrew... or as a missile launch officer... positions using mathematics... sciences... engineering.

Look out for yourself. Look into the Air Force ROTC programs on campus.

Contact: Capt. Wilder at 3-2074 or come to Lenoir Hall South.

Put it all together in Air Force ROTC.
