### WORK IN EUROPE

Holland (IP) You can live and travel independently in Europe for little or no money. Part time and full time work is available in England, France, Germany, Holland, Switzerland and Austria.

Work ranges from taking public opinion polls in England to making hiking trails in Germany. Other temporary jobs are available in resorts, cities and villages throughout Europe from June through the wine harvest in October.

By working in one country, then picking up and moving on to other countries, students can see Europe at their own pace while earning their way.

Other valuable information from cultural Europe to a student's 'European Survival Kit' is available from Interchange, a nonprofit student aid Foundation. For details and applications send your name, address and .25c or equivalent in stamps to: Interchange Foundation, Box 5579, Amsterdam, Holland.
