

# A SPECIAL STUDENT WELCOME FROM NCNB.

*The bank that's been a tradition in Chapel Hill since 1899.*

Attend our Welcome Celebration.  
Win cash, prizes and take home  
a Chapel Hill poster.

Come in and register at our Main Office on Franklin Street for prizes in our Welcome Celebration. We're having a "Guess the Green" contest - whoever comes closest to guessing the exact amount in our money jar wins the money!

Also, we'll have a drawing on August 31 for gifts from many local merchants. Jewelry, camera equipment, calculators, clothes, record albums, dinners for two at a few of Chapel Hill's most fun restaurants, and many more prizes.

And, while they last, we'll give you a Chapel Hill poster just for stopping by. It's our way of saying we're proud to be part of Chapel Hill, and we're glad you're part of it, too!

All banks have checking accounts.  
But...

...ours is designed to give you more flexibility when it comes to avoiding checking account service charges.

We have our Regular Checking Account, and we offer the Triple Option - three easy ways to get no-service-charge checking. All you have to do is select the option that suits you best, and you won't have to worry about service charges again.

And with any NCNB checking account, you can cash checks and make deposits at any of our offices all across North Carolina.

So come talk with us. We'll be happy to help you decide on the best plan for you.

Take advantage of NCNB 24.  
It's cash - anytime you need it.

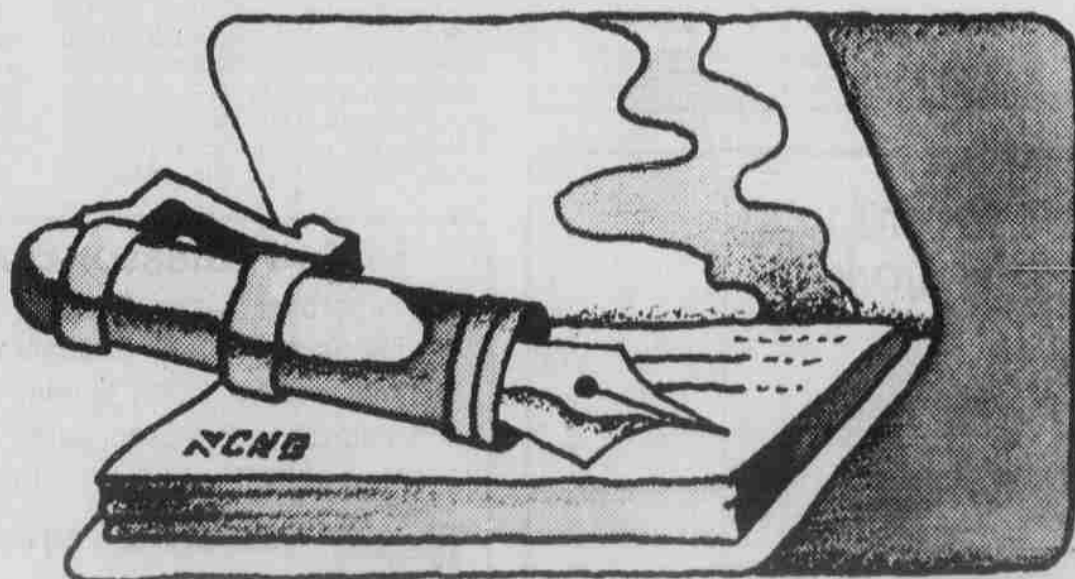

We think NCNB 24 is the easiest way to do your banking. All you need to operate the machine is an NCNB 24 card or a student Visa card, which you can apply for at any of our offices.

With a few extra minutes between classes, you can get cash, make deposits or transfer money from one account to another.

Plus, we're doing something special for Chapel Hill. You can now get cash in \$10 and \$20 amounts from our money machines.\* Just enough for that weekend pocket money.

So next time the bank is closed and you need some extra cash - use NCNB 24. It's money anytime you need it.
