WE REALLY CAN'T AFFORD this ad, but we're running it anyway. Why? Because even though we've been publishing The Sun here in Chapel Hill for four years, not enough people know about us - and we think it's time they did. The Sun is a Magazine of Ideas. It's the only magazine in North Carolina where you can read about childbirth at home, black holes in space, world hunger, dreams, Ram Dass, spiritual fascism, nulcear energy, psychic readings - and much more. Published monthly, it's an exquisite blend of articles, poetry, photographs, artwork, humor, and the gentle inspiration we all sometimes need. Does this sound like your kind of magazine? Send \$4.50 for a half-year subscription (6 issues). If you're disappointed with your first issue, send it back and we'll refund all your money. Or just send \$1 for a sample copy. Write THE SUN, Box 732, Dept. H, Chapel Hill, N.C. 27514.
