## Apple Chill to block East Franklin

By SUSAN KUHN Staff Writer

The 11th annual Apple Chill Street Fair will be held Sunday, April 17, from 1 to 6 p.m. on Franklin Street. More than 12,000 people are expected to mingle with local craftsmen, sway to the music of various bands and tempt the tastebuds with local cuisine.

Entertainment includes performances by the Apple Chill Cloggers, the Chapel Hill Ballet Company, Aerobic Rhythms, the Chapel Hill Brass Ensemble and Dansync — a performing arts ensemble — and Jazzercize, a combination of exercise and dance.

Musical acts include the Chapel Hill Scottish Country Dancers and the bands Treva, Rollie Gray and Sunfire and the Village Band. Juggler Ken Kaye and Magician Ken Fogleman will perform. Shirley R. Harper, general recreation coordinator

for the Chapel Hill Parks and Recreation Department, called Apple Chill a "family-type community fair, which is what the town would like to keep it as."

Since January, Harper has been working with 23 students in a UNC recreation class titled "Program Planning for Recreation Services" on Apple Chill '83. Cynthia J. Hampton, who teaches the class, said this is the first time Recreation 120 has taken the street festival as its project.

She said the students have played a key role in publicizing the event, evaluating its progress, collating a step-by-step manual of the fair and arranging for an athletes corner, to be staffed by UNC athletes, who will sign autographs. The class is also developing an evaluation form, to be completed by fairgoers, entertainers and booth people, which will be analyzed by a computer.

Harper said alcoholic consumption laws will be strictly enforced Sunday.

"If people want a beer, they can go inside and have one, and then come back out for the fair," she said. Drivers are cautioned by the Parks and Recreation Department that East Franklin Street will be closed between Columbia Street and Graham Memorial Hall at 11:15 a.m. Town officials are encouraging fairgoers to park in municipal lots.

This year's Celebrity Master of Ceremonies will be Shirley Marshall, a long-time resident of Chapel Hill and a current member of the Orange County Board of

# The Shake, Arrogance will highlight HRC's Springfest

By TOM CONLON Staff Writer

Nine bands will be featured at the ninth annual Springfest, which will be held today and Saturday on Connor Beach.

Local bands The Substitutes, The Vanguard, Members Only, The Kneewalkers and The Shake will perform today from 5 p.m. until midnight.

Saturday's concert will run from noon until midnight. The bands will include Awareness Art Ensemble of Richmond, a., Cheepskates of New York, Rick Rock and Arrogance, both of Chapel

The concert will be a campuswide event, and \$3,500 from fund raising will be spent on the concert, said Springfest Coordinator Henry Miles. The Campus Governing Council provided \$1,228, and \$500 came from Henderson Residence College for the concert. STOW Residence College, Scott Residence College and the Interfraternity and Panhellenic councils also contributed money, along with Ehringhaus, Craige, Coca-Cola and Pizza Transit Authority.

"We're expecting about four (thousand) to five thousand people," Miles said. "In the past we've only had one (thousand) to two thousand people turn out, but we decided to raise more money so we could make it a larger all-campus event."

"We want to include Granville Towers, fraternities and sororities also," he said. Hot pretzels will be sold at the concert Friday and PTA pizzas and Cokes on Saturday. No alcoholic beverages will be available, and students are not allowed to bring bottles to the event, Miles said.

Canned beer will be permitted, but no alcohol can be consumed between the two walls of Hillsborough Street since the street is city property and the public drinking ordinance is in effect, Miles

Springfest was begun as "Jubilee," a concert sponsored by Student Government. It was later canceled by the University administration, Miles said. In 1979, Student Government and HRC cosponsored the first Springfest, and in 1980 the first Chapel Thrill concert was

WASHINGTON - President Reagan, disputing accusations by the chairman of the House Intelligence Committee and others in Congress, declared Thursday that "We are not doing anything to try and overthrow the Nicaraguan government."

But Reagan refused to say whether arms or supplies were being provided to Nicaraguan exiles across the border in Honduras.

At a brief news conference, the president said the United States is complying with the law, which bans secret aid to Nicaraguan rebels for the purpose of overthrowing the leftist regime.

Asked if he wouldn't like to see the Nicaraguan regime overthrown, Reagan said, "What I might personally wish - or what our government might wish - still would not justify us violating the law of the land."

MOSCOW — The Soviet Union has "no need" to put nuclear missiles in Cuba in retaliation for U.S. deployment of new medium-range rockets in Europe later this year, a top Soviet general said.

It was the clearest signal yet from the Soviets that Cuba does not figure in their threat to retaliate for the planned "Euromissile" deployment.

The comments were made by Maj. Gen. Yuri V. Lebedev, a military adviser to Soviet arms-control negotia-

Kremlin officials have warned repeatedly they will put the United States in an "analogous position" if the American missiles are stationed in Western Europe, within a few minutes' striking distance of Soviet territory.

WARSAW, Poland - The Solidarity underground on Thursday urged Polish workers to demonstrate nationwide on May Day to protest "the taking of our holiday" by the communist regime.

The appeal was issued after police interrogated the wife of Solidarity chief Lech Walesa for three hours. Danuta Walesa said police in Gdansk frisked her before questioning her about her husband's contacts with the underground.

The underground communique, distributed to Western reporters, said "We are calling for demonstrations under the slogans: free all political prisoners; end price increases; give the fruits of labor to society; and peace and solidarity."

LONDON - Rumors circulated Thursday in financial markets in Europe and the Far East that President Reagan was dead, but White House spokesman Robin Gray said it was not true.

The reports caused a slight stirring in trading in currency markets in West Germany and Switzerland.
