

Chase renovations could close Upendo

By CHRIS EDWARDS
Staff Writer

Black Student Movement President Sherrod Banks said Tuesday night that the BSM may be left without a home because of renovations to Chase Cafeteria.

The BSM has been meeting in Upendo Lounge on the first floor of the cafeteria. Chase is being renovated to house a student union for South Campus students and new cafeteria facilities.

The South Campus student union is scheduled to open on the upper floor of Chase later this month. That would force a cafeteria to be placed on Chase's first floor if a food service moves back into Chase as is scheduled, leaving the BSM out in the cold, Banks said.

Banks said the opening of the student union came as a surprise. The BSM was never consulted concerning the use of space in Chase, he said.

Banks also complained about the condition of the Upendo Lounge, which he said "has existed in its present form since 1972."

Promises to improve the lounge have never been carried out, Banks said.

The comments came at a meeting of BSM officers and members. About 25 attended. "In fact," Banks said, "the condi-

tion of the lounge has been degraded through a lack of commitment on the part of the University."

In other business, Banks said the BSM Gospel Choir case would be heard by the Student Supreme Court on Oct. 11. The choir faces a loss of its funding by student fees if the court finds that it is a religious group.

The choir is a "cultural group" and should not be affected by the Campus Governing Council's refusal to fund political or religious organizations, Banks said.

Banks also said that it seemed as if the CGC was "trying to take money from the choir every single year." He said he was confident that the choir will win the case.

Gwen Hailey, editor of *The Black Ink* and a member of the BSM's Central Committee, said the BSM should take a stand on the mikeman issue. Black mikeman Kenny Ward was fired by the UNC administration last week.

Calling for debate on the issue, Hailey said she was "opposed to the procedures used in calling for Ward's resignation." Banks said that the measures used in trying to obtain the resignation were "not proper."

In another matter, BSM Treasurer David Hogan said the appropriation of students fees for the BSM next year could be significantly reduced if the student fee increase does not pass.

WASHINGTON — Senate Republicans served blunt notice on Wednesday that Interior Secretary James Watt must go or face a strong vote of no confidence. But President Reagan said Watt "has done a fine job," and a "stupid remark" didn't merit his removal.

Senate GOP leaders said a stormy, closed-door caucus on Tuesday had demonstrated that support for Watt had waned far beyond previous estimates, and a consensus emerged that the secretary should resign for the good of the party. Minority Democrats, in their own caucus days earlier, unanimously endorsed a call for Watt's ouster.

Watt met with presidential counselor Edwin Meese III early Wednesday for "a general discussion of the Senate situation," then left town for "a long-planned vacation," according to Douglas Baldwin, the secretary's chief spokesman. Baldwin said Watt "is not reassessing" his plans and continues to believe he is an asset to the administration.

WASHINGTON — Republican Jesse Helms of North Carolina abandoned on Wednesday his one-man filibuster against a bill honoring Martin Luther King Jr. with a national holiday, virtually ensuring it will be passed by the Senate and signed by President Reagan later this month.

In return for not fighting a scheduled Oct. 19 vote on the King measure, Helms got his way on a bill important to his tobacco-producing state.

Immediately after the Senate agreed to the King voting schedule, Majority Leader Howard Baker — by prior arrangement with Helms — brought to the floor a bill that would set price supports for dairy products and tobacco. It was a measure Helms wanted considered before next week's Columbus Day recess.

"Sure, I had the arrangement with the majority leader that the farm bill would be called up if we got unanimous consent" on the King voting schedule, Helms said in an interview. "It

happens all the time around this place. I don't see anything insidious about that."

BEIRUT, Lebanon — President Amin Gemayel gave in to Syria and its Druse allies Wednesday and agreed to accept observers from non-aligned nations to supervise a Lebanese cease-fire.

Khalil Mekkawi, acting secretary-general of the Foreign Ministry, told a news conference efforts are under way to create a "neutral observation force" to oversee the truce that began Sept. 26 after three weeks of civil war.

Druse leader Walid Jumblatt said it should be drawn from India, Yugoslavia "and someone else."

The Gemayel government and the four nations that make up the multinational peacekeeping force in Beirut — the United States, France, Italy and Britain — had been pushing for a U.N. force. But Jumblatt argued this could lead to the permanent partitioning of the nation. Syria also opposes a U.N. force.

HOLLYWOOD, Fla. — The AFL-CIO convention, calling Walter F. Mondale an "eloquent spokesman for the concerns of working people," overwhelmingly endorsed his candidacy for the Democratic presidential nomination Wednesday.

With the former vice president secluded in another part of this seaside resort hotel, the more than 800 convention delegates ratified the resolution of endorsement.

"While many good friends of labor are among the announced candidates for the Democratic presidential nomination, Walter F. Mondale has earned special esteem," said the resolution, approved on a stand-up vote in which delegates cheered wildly and shouted "We want Mondale!" "Vote, Vote, Vote!"

RALEIGH — North Carolina students could take foreign language from kindergarten through 12th grade under recommendations accepted as information Wednesday by the state Board of Education.

But board members were hesitant to endorse the recommendations without an estimate of the cost of implementing the program. Others expressed concern that the program might draw attention from efforts to improve students' English skills.

"Before we start something new we need to understand that we're not doing too well with the English language," said state Treasurer Harlan Boyles, a member of the board.

Boyles said the state has limited resources that could be diluted further by the emphasis on foreign language.
