"What a civilized delight  
'Waiting for the Moon' is. It has  
the tang of fine language, the  
breadth of its subject matter, the  
beauty of its settings,  
photography and music and a  
rare maturity in its outlook.  
The magnificent last scene, a  
muted drama of reconciliation  
and optimism, can bring you to  
tears. What an oasis for  
the parched adult."
