

THE VERDICT IS IN.

BY ORDER OF THE BASKETBALL COURT:

Carolina Pride has been charged with three counts of marketeering. The "offenses" are: 1.) procuring the finest quality sportswear anywhere, 2.) contributing to the spirit of Tar Heel fans by imprinting said sportswear with creative and

innovative UNC designs, and 3.) selling said sportswear with the intent of affordability for all.

We at Carolina Pride plead guilty on all three counts. Our UNC sportswear is so incredible, it's almost criminal!
