

Get a grip on your homework.

Homework has a nasty way of piling up, doesn't it? One day you feel on top of it all - the next, you're behind on your notes, your research, your term paper.

Our advice: get in front of a Macintosh computer.

Macintosh is so easy to learn, you can master it in just an evening. And as a full-time student, you can buy one now for a very special holiday price.

So come in and get your hands on a Macintosh today.

The power to be your best.
