## 'Eat my shorts': The Simpsons kick some butt

The staff of Omnibus would like to take this opportunity to congratulate Matt Groening, the Fox Network, Homer, Marge, Bart, Maggie and Lisa for their astonishing showing in the latest Nielsen ratings. For the week of March 12-19, *The Simpsons* ranked 11th among the primetime shows. America's favorite dysfunctional animated family was watched by 16.1 million homes last week, beating out such "big network hits" as *L.A. Law*, *Golden Girls*, and *Murder, She Wrote*. This kind of news almost restores our faith in the American viewing public.
