'T WAS THE NIGHT before finals
and all through the house
Not a student was stirring, not one Theta
Chi louse.
Their books were all open, tension
loomed in the air
Dean had a beer, watched Snuff pull
out his hair.
Waller was reading, Big Mac set
down his tools,

THIRD PLACE
Six movie passes from
Chelsea Theatre

Johnny decorated while Gary wrote on preschools.
Zack dreamed of new sports cars, Ron of... well,
Ed and James vowed to save their semester from Hell.
Woody with his Spanish was all in a fright,
Rooster listened to jazz under his red light.
Dave was retiring from his term as President,
Donkey Kong was where all Ben's quarter went.
With dreams of home-cooking, and watching TV,
I hope your exams will be very easy.
Study your chem, your math, you Bio, your ed,
Absorb all those facts and figures into your head.
Best of luck to you all, work till the end,
And come back next semester to do it again!

MERRY CHRISTMAS
MOTHER AND FATHER:
It's the time of year to take the bother;
I love you I must let you know;
and as your son I'd like to show;
Yet I'm also a student - thoughtful but poor;
still my love for you grows evermore, evermore. Doug.

Semester over, let's polka! Could be
lunchmeat, could be peaches. Question is,
who knows? As long as peanutbutter
yogurt is plentiful. Imagine planning your life
with a transit guide, headed for the ultimate F
parking lot. Remember, some you marry, some
you date. We charming!
Merry Christmas.

High School friends won't remember you.
Ten o'clock curfew? Monday!!
You've left home
The family's great without you
They've sublet your room.
College life is limbo
But it ends too soon!
So have a Merry Christmas
Until school resumes!

DEAR PIGEONHEAD, Thanks so much for "drop-
ping" into my life. I've really enjoyed our evenings of
chanting monks and strobe lights. Let's "Lo Mein" again
sometime. Love, Melinda. P.S. I have your X-mas pres-
ent. Come get it in 407 Avery at 8 pm Saturday. Sorry
no concert, just me.

DAVE AND CARRIE, There once was a girl from
out of state. She met a perfect boyfriend and a perfect
roommate. It is time they knew, that without them I'd be
blue, and that they both have made my semester great!
Good luck on exams! Love, Rona.

DEAR SANTA, I'm hungry. I've tried to be a good girl
this year, and I would have too, without that damned roach
incident. Claus-man, when I put that bug on Hope's plate
in Lenoir, I thought she'd see it before it got to her mouth.
Some folks just can't take a joke. Anyway I haven't eaten
since Sunday, and I was hoping you'd make an early run
this year to bring me some food, nothing fancy, some
gruel or porridge will suffice. I'll be waiting at the
bus stop on Stadium Drive. (I'll be the one
with the ribs poking through her jacket.
See ya soon, (tonight?), Annice
