What's the difference between a wash-room & a bathroom? A toilet & a visitor? A domer & a condom? "Eh" & "really"?

Every autumn, a group of students from the University of Toronto comes down for a week-long stay in Chapel Hill. Every spring semester, a bunch from UNC treks north to Toronto. WAY north. The result is that's a worthwhile, memorable, & real exchange between Canadian students & us; two groups who learn from each other, party hard, & bond.
