### VOTE SMART

Please vote NO to school bond. Bond puts buildings before students and before excellent education. Bond ignores needs and concerns of lower income citizens. Bond is carelessness with new debt. School administrators played politics with this bond and your money. Bond ignores need for elementary school. Bond will saddle the local homeowners with additional and unnecessary taxes. We need your help. Your NO vote will make the establishment re-evaluate quality education in terms of student needs, teacher needs, curriculum, and materials—not administrators' egos. (Paid by Committee for Quality Education.)
