\$4 a Year in County; other rates on page 2

Boom Town with No Boom Left . . .

#### Reporter Staggers Out of His Bed at 4:30 in the Morning And Gets New Perspective on Chapel Hill with the Milkman

The gentleman with the milk is Sam Heff, who gets up at 4:15 every morning to go to work. The gentleman standing in the milk truck watching him is J. A. C. Dunn, who got up at 4:30 in the morning only once—to write this article on Mr. Heff and his day's work. The scene is Victory Village. (Photo by Hauser)

ing looks much like a boom town with no boom left. As everybody knows, this condition does not prevail the entire day, but at 5 a.m. practically nothing is moving. Practically nothing, that is, expected the note meant without baving patted.

In a pint in about three gulps. From then on the ride was punctuated by pen / cal remarks made by Sam on the subject of milk-deft what through Jackson where he past.
