

## CHAPEL HILL CHAFF

J. J.

Andy Gutierrez had a mildly irked feeling as he sat in the back row and watched "The Bonnie Parker Story" at the Varsity Theater, of which he is manager. "I know that fellow," he kept saying to himself. By "that fellow," he meant the actor playing the consort and traveling companion of the notorious cop-killing Bonnie.

After the show Andy walked down the street to ask J. D. Wright what stage name Roland Benson of Chapel Hill took when he went in pictures. "Jack Hogan," said J. D.

"Well, he's got a leading role in my current show and I didn't even know it till now," Andy said. "I wish I had realized it sooner so I could have let everybody know in advance. Roland has a lot of friends around here who would have wanted to see him in his first starring role."

Nobody else in Chapel Hill knew it till too late. Not even Roland's mother, Mrs. Huldah Benson of 125 North Street, or his sister, Mrs. David Howard of Dania, Florida, who was here for the summer. When asked about it later, Mrs. Benson said, "I'm really disappointed. I'm ashamed to write Roland and say his movie was here and I didn't even know it. I hope it comes to Durham. If it does I'll go over there to see it."

The Weekly's Calendar of Events lists the names of the leading actors in the shows at the two Chapel Hill movie theatres. We take these names from the ad.

## County A.B.C. Election Seems Likely

The Orange County Board of Commissioners will probably vote to hold an A.B.C. election in the county at its meeting tomorrow (Tuesday) in Hillsboro. "I'm inclined to think that in view of the petitions that have been submitted the people of the county want an election," said R. J. M. Hobbs, chairman of the Board.

When the motion to have an A.B.C. election in Orange County was brought before the Board on August 4 by Commissioner Donald Stanford, it was defeated three to two. Mr. Hobbs and Henry Walker in voting against the measure said that they were not opposed to such an election but wanted to know that public sentiment favored the action before the expense of such an election was undertaken.

At once petitions asking for an election were circulated and signed. Many have been forwarded to Mr. Hobbs who in turn sent them to Hillsboro. "I have no idea how many have signed such petitions but there definitely seems to be sentiment in favor of an election on the matter," said Mr. Hobbs. Mr. Walker, who had been to Pennsylvania for the past week, said this morning that he was "definitely not opposed to an election if the people want it." On the other hand, he has not had a chance to see the petitions and has not spoken to the electorate on the matter and so had no comment to make on how he will vote tomorrow.

In the meantime people who have signed petitions in their possession are asked to get them to Mr. Hobbs by the time the Board meets at 10 o'clock tomorrow morning.

## Memorial Hospital To Celebrate Its Sixth Anniversary Tomorrow

North Carolina Memorial Hospital at the University here will observe the sixth anniversary of its opening this Tuesday, Sept. 2.

The hospital was opened to receive patients on Sept. 2, 1952. On the day the hospital opened 78 beds were available for patients and the hospital staff numbered 215 persons. Today the hospital has a capacity for 350 patients and the staff has grown from 215 to 957.

The first patient admitted to the hospital was Mrs. John F. Bolton, a housewife of West End. At the close of the first day of hospital operation six years ago, seven patients had been admitted.

Last year, on the fifth anniversary of the hospital opening, a plaque was unveiled carrying the names of 168 staff members of Memorial Hospital and the UNC School of Medicine. These were the persons who had continuously served the school and hospital for five years. An additional 100 names will be added to the plaque this year.

A buffet dinner will be held Tuesday at 7 p. m. in the Hospital Cafeteria to honor staff members and employees who have attained the five-year record.

A three-fold program is carried out at Memorial Hospital. It consists of teaching, patient care and research. Since the hospital opened six years ago, 283 physicians have graduated from the UNC School of Medicine. These men and women received their clinical training at the hospital.

A total of 209 students of the UNC School of Nursing have been educated at Memorial Hospital. The graduates of this school are now holding positions in nursing throughout North Carolina.

Since Memorial Hospital is owned and operated by the people of North Carolina, it is significant that patients have been admitted to the hospital from each of the 100 counties of the state.

The late Dr. Malcolm T. McEachern of the American Hospital Association summed up the opinion of many leaders in the field of medicine when he visited Memorial Hospital at its opening and said, "The new health center is an apex in service to humanity."

## Mrs. Markham Fatally Injured In Car Accident

Mrs. E. C. Markham was fatally injured last Saturday in an automobile accident near Blythe, California. Her husband, a chemistry professor at the University, received severe bruises as their car went out of control and overturned. Mrs. Markham died a short time later in a local hospital. Mr. Markham was hospitalized but was not seriously injured.

It was reported a blowout caused the car to overturn. The accident happened near the Arizona line as Mr. and Mrs. Markham were on their way back here. Their son and daughter-in-law and grandchildren, Mr. and Mrs. Allen W. Markham and their two children, Janet, 2½, and Dianne, ten months, were reported to have been in a car in front of Mr. and Mrs. Markham and to have seen the accident in the rear view mirror.

The younger Mr. Markham had just completed his military service at San Diego, and he and his family were on their way east to make their home in North Carolina.

Mrs. Markham, the former Miss Janet Whitlock of Charlottesville, Va., is also survived by a daughter, Mrs. William Roach of New Jersey.

Funeral services will be held here Sunday. The time and place will be announced later.

**Education Board To Meet Tuesday**  
The Chapel Hill Board of Education will meet at 8 p. m. at the Cone House tomorrow (Tuesday) to discuss pupils' transportation to and from the Estes Hills School, the serving of meals at the West Franklin Street and at Estes Hills Schools, the supply fees to be charged the pupils, accepting the White Cross pupils free of charge, and other matters.

Joseph Johnston, superintendent of the Chapel Hill schools, said today that next Monday, the first day of this season's school term, all pupils will be at their respective schools only from 8:30 a. m. to 12 noon. On Tuesday and afterwards primary grade pupils will attend classes from 8:30 a. m. to 2:30 p. m. Elementary School pupils will attend school from 8:30 a. m. to 3 p. m., and the junior and senior high school pupils will be in school from 8:30 a. m. to 3:30 p. m.

**School Registration Tuesday**  
All public school children who have not been registered must do so between 9 a. m. and noon tomorrow (Tuesday) at the school they will attend this year. However, any child who was registered in any of the Chapel Hill schools last year is registered and need not register again. Thus a child who was registered at the Franklin Street School last year and has been transferred to the Estes Hills School or some other Chapel Hill school need not register again.

**Going to Canada Meeting**  
Dr. Lloyd R. Yonce of the U.N.C. School of Medicine will attend a meeting of the American Psychological Society this week in London, Ontario, Canada.

WEEKLY PHOTO—BILL PROUTY

**BIG RALLY**—Louis Graves (top picture, right) and Dr. W. P. Jacobs (second from right) look for themselves in a picture of the 1902 Carolina football team which is being projected on a screen at the Chapel Hill Athletic Club's pep rally and barbecue held Saturday night in Lenoir Hall. Mr. Graves and Dr. Jacobs, both stars of the '02 team, were among a good number of past University football greats who were introduced to the overflow crowd of 500 at the rally to welcome back the University's 61-man 1958 football squad. Regular practice sessions begin today (Monday) for the opening game with N. C. State College here Sept. 20. At left is Coach Jim Tatum, who is looking over the gesture of Vic Huggins, outgoing president of the Chapel Hill Athletic Club and the master of ceremonies for the evening. The picture below shows the grand finale, the singing of "Hark the Sound," here being enthusiastically led by great University cheerleaders of the past (l. to r.) Vic Huggins, Robert "Boolo" Hardee, Billy Arthur, Durward S. "Nose" Jones, and Kay Kyser, who had charge of the arrangements for the show.

## Football Men New and Old Romp At Grid Welcoming

By Helene Ivey  
Vic Huggins, Jim Tatum, Dr. Robert Samuel Cromartie, Louis Graves, Dr. William Jacobs, Chancellor R. B. House, Mayor Ollie Cornwell, Billy Carmichael Jr., Coach Bill and Coach Bob Fetzer, Kay Kyser, Johnny Branch, Billy Arthur, these and others last Saturday night had age mysteriously drained from their bodies and they ran and jumped and shouted and laughed as though they were college boys. Their wives and several hundred other Chapel Hillians and some people from other parts of the state joined them in the celebration.

The occasion was a banquet given at the University's Lenoir Hall by the Chapel Hill Athletic Club in honor of Coach Jim Tatum, his staff and his 1958 football teams. Vic Huggins, former ace cheerleader and now outgoing president of the Club, was master of ceremonies.

Jim Tatum was given a trophy symbolizing the love and esteem in which he is held by the Club members. The members of the teams and staff coaches were brought to the stage and introduced individually, former Carolina football players were introduced, their records praised and pictures of many by-gone teams were cast on the screen. Spontaneous applause was heard each time that members of the 1958 and previous teams were introduced and when pictures of history-making Carolina teams were cast on the screen.

Dr. Cromartie, 88, a football star at the University 60 years ago and the first to be brought to the improvised stage last Saturday night, shouted that he was 88 years young and he acted accordingly. His 1898 team was the only undefeated team in the history of the University.

Louis Graves's in 1902 scoring five points twice to beat Auburn 10 to nothing and during another game that season running 90 yards for a touchdown was related amid bellowing shouts and applause from the audience. He scored 42 points for the University, it was disclosed.

Dr. Jacobs, a teammate of Mr. Graves's, ran 70 yards for a touchdown and at another time ran 50 yards to score. He won 48 points for the University.

Captain Grady Pritchard of the 1922 team and his teammates, Robert Bonner, Henry Hogan and battering Jack Merritt took bows as the second championship team of the University.

Capt. Pierce Matthews of the 1924 team with his teammates Robert Bonner and M. T. (Red) Whisnart and their cheerleader Vic Huggins were photographed on the stage. It was Vic Huggins who introduced Rameses I to the team as its mascot (Rameses VIII now serves in this post). "Rameses I so electrified the team that one of the players kicked a three-point field goal that won the game 3 to 0," Vic Huggins said.

Pictures of the dedication of Kenan Stadium and playing by the 1927 team before 28,000 people were shown before the season's ace player Odell Sapp was introduced. Not only did Mr. Sapp once run 36 yards for a touchdown, he lettered in boxing and baseball as well as in football. He was on the coaching staff of the University when All-American George Barclay and ace coach Jim Tatum were members of the team.

The stars of the 1929 team, Johnny Branch who ran 85 yards and again 96 yards for touchdowns, Henry House who ran 67 yards (Continued on Page 8)

## Who Will Replace Giduz On Board?

### Miles Fitch or Floyd Hunter May Be Town's New Alderman

Who will be appointed to the Chapel Hill Board of Aldermen to succeed Roland Giduz, who has resigned for a year of study at Harvard University? That is a question that is being asked, and answered, on the streets of Chapel Hill. Speculation seems to narrow the choice to two men, Floyd Hunter and Miles Fitch.

Many people say they would like to see Mr. Hunter named. He is a faculty member of the University's Department of Political Science and the author of two books on city government and the power structure of a community.

Many others say, "Let's have a good business man like Miles Fitch who knows how to deal with our problems." Mr. Fitch is co-owner of the Fitch Lumber Company.

The appointment, to be made by the Aldermen and the Mayor, will fill a seat on the board till next May's municipal election. Others whose terms will expire then are Mayor Oliver Cornwell and Alderman Obie Davis. Unverified rumors have it that neither will seek reelection.

When questioned by this newspaper, members of the Board of Aldermen were cautious in their comments on the appointment they may make at next Monday's board meeting. "I like both men and hope that, sooner or later, both will serve on the board," one said. This member added that other names may be presented and considered.

## Hodson Is Elected By Democrats

Charles Hodson, Chapel Hill attorney, was elected president of the Orange County Young Democrats Club last Friday evening. He succeeds Lucius Cheshire of Hillsboro.

The election which took place at the Club's annual county convention at the Chapel Hill Town Hall also named Jack Lasley, Chapel Hill attorney, as secretary and treasurer, Allen Watkins as first vice-president, and Mrs. James Taylor as second vice-president.

The Club voted to have its delegation to the annual State Convention, which will be held in Greensboro November 2-3-4, unimpaired. The Club's nine delegates will have a caucus just before the opening of the convention. Majority rule will prevail and the delegation will cast its vote as a unit.

Delegates of the County Unit to the National Southeastern Young Democrats Club Convention to be held September 19-20 in Hendersonville will be announced very soon, Mr. Hodson said.

## Human Relations Committee Picks Its Officers

The Human Relations Committee recently appointed by Mayor O. K. Cornwell held its organizational meeting last Tuesday in Carroll Hall and elected the following officers:

Dudley D. Carroll, chairman; Cecil Johnson and Byrum Weaver, vice-chairmen; Mary Helen Hayman, secretary. Other members of the committee are Elizabeth Branson, Lucille Caldwell, and Floyd Hunter. The committee will meet at 8 p. m. on the fourth Tuesday of every month in the seminar room at Hanes Hall.

The duties of the committee, as set forth by the Board of Aldermen, are to encourage understanding and good-will among all races, to promote the general welfare of the community, and to act as a public forum in hearing complaints involving racial tension.

Anyone wishing to appear before the committee is invited to do so and should communicate with the chairman or one of the vice-chairmen before the time of the meeting at which he wishes to appear.

## Junior High Grid Meeting Planned

There will be a meeting of candidates for the Chapel Hill Junior High School football squad Wednesday morning at 10 in the High School Gymnasium.

Coach Russell Perry asks that all boys in the seventh, eighth and ninth grades who plan to go out for the team attend the meeting.

A five-game schedule, which is incomplete at this time, will be given the Weekly for publication in an early issue, Mr. Perry said.

## Girl Dons New Shoes, Walks Into Trouble

Most customers walk from the shoe department of a store with a new pair of shoes on their feet. But last Friday when a ten-year-old colored girl did just that she was stopped.

Having allegedly tried on a pair of shoes at the Belk-Leggett-Horton Department store, the child, with the shoes on her feet, started to walk out. A hand on her shoulder stopped her. She was too frightened to talk much. At first she tried to tell the Police officials and others around her that she had bought the shoes at the Thrift Shop but later she admitted that she had taken them from Belk's. She had taken them from Belk's. The Police Department turned her over to the County Welfare Department juvenile authorities who in turn released her to her parents pending investigation and a hearing tomorrow (Tuesday).
