George Has Done It!

George Harris, that is—Genial Pharmacist and Chief at the Glen Lennox Pharmacy

George has stocked in a breathtaking selection of Valentine cards you'd want to send, give, or maybe just keep.

Now for stubborn cases (members of the opposite gender who will require more than a card or something in lieu of a card) George has sweetened his shelves with Valentine candies by Pangburn and Whitman's.

WORKING TOGETHER FOR THE SOUTH'S CONTINUED

PROGRESS

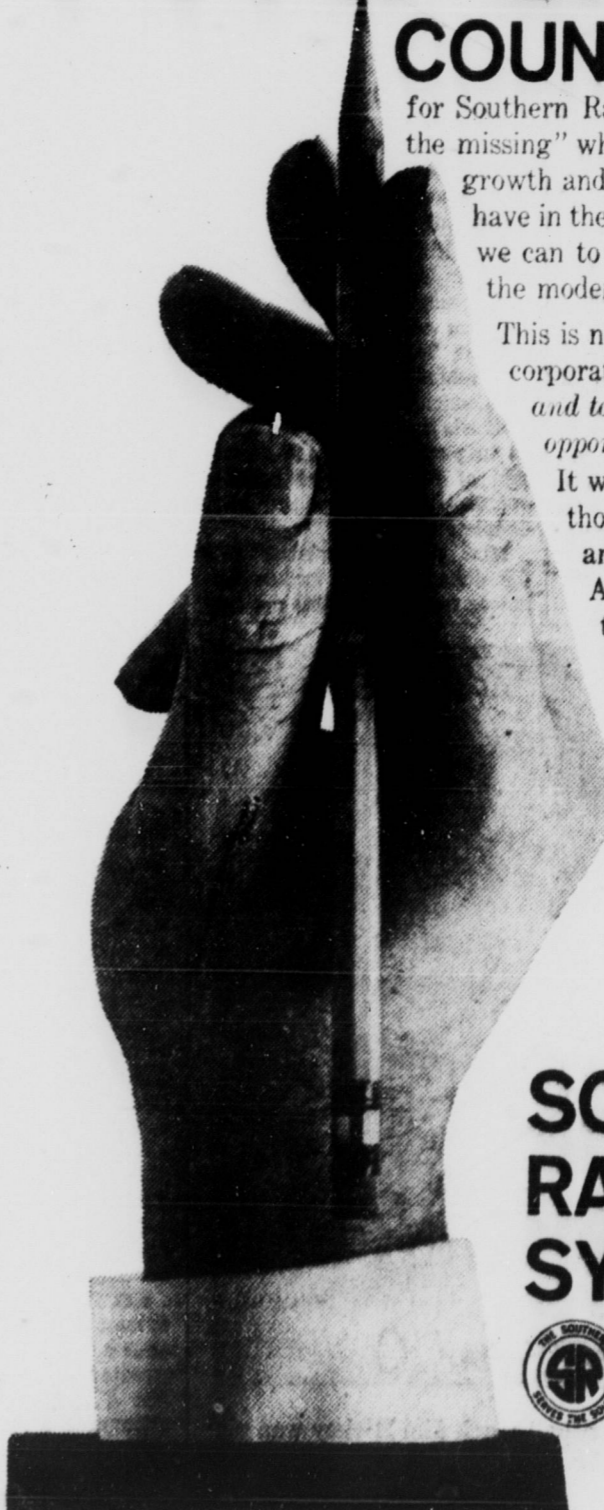

COUNT US IN! YOU BET we want to be counted in...

for Southern Railway has no intention of being "among the missing" when it comes to working for the continued growth and progress of the territory we serve.

This is no idle promise. It is, in fact, a part of our corporate creed: "To develop the territory we serve and to foster faith in the South, its people and its opportunities."

It would take a long list, indeed, to include all those in the South today who are working for and looking toward a still greater future for America's "youngster" opportunity-land — the modern South. If such a roster is ever drawn up, be sure to "count us in."
