Golf City To Hold Putting Tourney

Mike Rubish's Golf City, on the Durham Boulevard, is sponsoring a \$1,000 putting tourney beginning this Saturday.

Thirty-six hole qualifying rounds will begin Saturday and continue through Oct. 8. There will be three divisions—men, ladies, and children (6 through 14).

At least 10 merchandise prizes, including clubs, golf bags, and a bicycle, will be awarded in each division.

The 64 low qualifiers in each division will begin match play on Oct. 9. Rounds may be played from noon until 10 p.m. daily and Sunday.

HASSELL

Charles (Pud) Hassell, freshman Morehead Scholar from Beaufort, is one of the top men whom North Carolina assistant basketball coach Ken Rosemond will be looking forward to welcoming on Oct. 15, opening day of basketball drills. Hassell is also a fine football halfback, though he did not go out for the Carolina team, and is due for a lot of left-handed pitching for the baseballers.

GOLF WINNERS

Winners in the women's golf tournament day before yesterday at the Chapel Hill Country Club were as follows: Mrs. Norman Eliason, low gross; Mrs. Dwight Price, low net, and Mrs. E. B. Crawford Sr., low putts.

Rallying Wildcats Take On Graham

BY RONNIE LOGAN

Chapel Hill's revitalized Wildcats take on victory-hungry Graham in a conference affair Friday night at 8 o'clock in Graham.

Fresh from a smashing 21-0 victory over Southern of Alamance, the Wildcats apparently have a better than even chance of defeating Graham, a team that lost to Oxford last week 19-0. Earlier this year Chapel Hill and Oxford fought to 6-6 tie.

Against Southern, a pair of Chapel Hill halfbacks, Gene Williams and Charlie Riggsbee, blossomed into standout performers. The consistent gains made by these two kept the Chapel Hill scoring marches from faltering and each played fairly well on defense.

The most pleasing development has been the emergence of some spirit and determination on the part of the entire team. Previously this had been lacking in many of the players. If this new attitude

is sustained for the remainder of the season it wouldn't surprise many people if the Wildcats became contenders for the conference crown.

There is still plenty of room for improvement, however, as may be evident in future games.

The current group of Wildcat footballers may not be the best team Chapel Hill has had in recent years, but it has shown that it can make things pretty rough on anyone.

One member of the current Wildcat team is, in the opinion of the coaches and the student body, one of the best all-round linemen in the conference. He is Alex McIver, better known to his friends as Sonny. Sonny is so versatile and adaptable that it is feared he will be passed over when the time comes to pick the all-conference team. He has switched between end and center so much that he may be overlooked in favor of someone who has played the same position all year long.

Sonny is a solid offensive lineman, but his forte is defense. He is the terror of any enemy back who tries to run with the ball. He ranges all over the field to make his bone-jarring tackles, and many times he has surprised fast ball carriers by bringing them down from behind.

But last minute injuries to key players may hamper the Wildcats quite a bit. Among them are McIver and tackle-guard Pete Stansbury. McIver has a badly sprained ankle and Stansbury severely bruised ribs. It is also not known whether fullback Tony Lloyd will be able to play. Fullback Gary Bowden is lost for the season with a knee injury.

Archery Tourney Is Planned Here

The UNC Outing Club will sponsor a handicap archery tournament starting October 1. This tournament is unique in that the handicap enables the beginning archer to compete with even the most proficient of archers; and it is actually designed so that the archer who improves the most will be most likely to win.

The tournament is open to all students of the University, faculty and townspeople. However, it is required that those entering the tournament who are not already Outing Club members join the club or pay a \$1 entry fee covering all the shooting sessions of the tournament.

The tournament will start on Oct. 1, with the second session on October 8 and sessions every two weeks thereafter.

The last session will be Jan. 6, with make-up sessions set at this time to allow anyone who missed a session to shoot those rounds.

The handicap will be determined by the first three scoring rounds and will be recalculated as the archer advances out of his class.

The actual shooting in this tournament will be the standard round used during all Rod and Gun Field Meets. Each archer will shoot two ends (12 arrows) at 40 yards, two ends at 30 yards, and two ends at 20 yards. There will be no separate divisions for those using bow sights, or separate divisions for juniors, men or women. The handicap will make up any difference in the scores of these groups.

Archers wishing to participate in this tournament need not have their own equipment. The Outing Club has archery equipment which will be available.

On October 14, the Outing Club will be the host for the Carolina Open Archery Tournament. Advance registration for this tournament shows that archers from all over North Carolina and the surrounding states will be attending the tournament. In this tournament the archers will shoot by divisions (free-style or instinctive). Men will shoot American rounds and Women will shoot Columbia rounds.

All archers are welcome to shoot and advance registration is not required, but the Outing Club would like post cards from interested parties so that they can plan for the expected number of archers.

Post cards should be sent to 315 Woolen Gym.

Information will be sent to all those who preregister.

David Pizarro To Perform Tuesday

David Pizarro of the UNC Music Department faculty will give an organ recital at 8 p.m. Tuesday, Oct. 3, in Hill Hall under the auspices of the department's Tuesday Evening Series. Admission is free and everybody is invited.

The program will include works by Buxtehude, Bach, Richard Donovan, John Stanley and Marcel Dupre.

Mr. Pizarro received his master's degree in 1953 at Yale University, and from 1953 to 1955 he studied in Germany as a Fulbright scholar. Before coming here he held organ choirmaster positions in New York and Connecticut and was an instructor in music at North Carolina College in Durham.

STRING OF LOSSES

The University's football team has lost its opening game for six consecutive years. Four of these losses were to State College, the opponent in this year's opening game here this Saturday.

PRIZES FOR WRITERS

The Carolina Quarterly is offering cash prizes totaling \$75 to campus writers who submit the best fiction and poetry. The prizes will be awarded at the end of the school year as follows: \$50 for best story and \$25 for best poetry.
