

### CHHS Exchange Student Writes From Colombia

Miss Peacock, daughter of Mr. and Mrs. William Peacock of Chapel Hill, has been an American Field Service exchange student in Colombia this summer. She will return to Chapel Hill next week and will resume her studies this fall at Chapel Hill Senior High School.

By MARY HELEN PEACOCK

I arrived here in Bogota on June 18 and can hardly believe it's almost time to return home. There are eight other students here in Bogota with me and we have all had an unforgettable summer. We have learned much about people and almost all of us now speak Spanish.

Our families are wonderful, especially mine! My father is a businessman for a company similar to Kohler. I have three brothers, four sisters, two cousins, an aunt, a maid, and my parents living with me in a typically Spanish house.

The food and beverages here are different, interesting, and sometimes a bit painful! Really, however, the meals are good. The Colombian beverages vary in strength, but after tasting almost all of them, Coke is wonderful.

We have been to many parties and I have experienced many unusual things. I have ridden and driven a motor scooter, helped fly an airplane of the Colombian Air Force, begged for souvenir menus and been thrown into the swimming pool at the biggest hotel in Cartagena—clothes and all.

All nine of us were on a trip, with Sylvia Corredor, our director, to the coast for ten days and were involved in the "vuelca," a sort of play at a revolution, three huge strikes and other various affairs. The governor gave us a cocktail party in an ancient castle with all the officers of the Navy, and we had beach parties with the Colombian Marines. We were flown home to Bogota in an Air Force plane because the trains are rather dangerous now with strikes. Three bandoleros killed 42 people on a train a week ago, and this is not unusual for the interior of the country.

It has been an interesting and wonderful summer and the people here have opened their hearts to me, but I will be glad to see the U. S. A. again and to walk down our quiet, un-dangerous main street.
