Report For Drills

By JOE SPANSKY
Candidates for the 1963 Chapel Hill High School grid team re-

ported to Coach Robert Culton Monday morning for equipment and a classroom session. The first physical training began later Monday with general conditioning and blocking tactics scheduled.

Coach Culton, who starts his eighth year leading the Wildcats, welcomed some 60 aspirants for training, the largest first-day group in five years. Of the 13 returning lettermen, nine are returning starters. The only position not covered by a letterman is center, but Coach Culton predicts, "that will not be a weak position. We will shift other positions if necessary to strengthen it."

The team should have a strong backfield centered around quarterback Danny Leigh, halfback Donnie Clark and fullback David Gibson. Also returning from last year's squad are halfbacks David Hughes and Jack Ballenger, and quarterback Scott Thompson.

Co-captains Bill Blake, a 220-pound tackle, and Glen Blackburn, a 170-pound end, should lead the experienced linemen. Others are returning starters Tom Brickhouse, a 155-pound end; Tim Farmer, a 212-pound tackle; and Phil Partin, 150, and Joe DiCostanzo, 180, at guard. Those counted on to back them up are returning lettermen Tommy Womble and Danny Caston.

Due to the large turnout for the team there will be two teams, the Varsity and the Reserve Squads. Joe Augustine and another assistant not yet named will help Coach Culton.

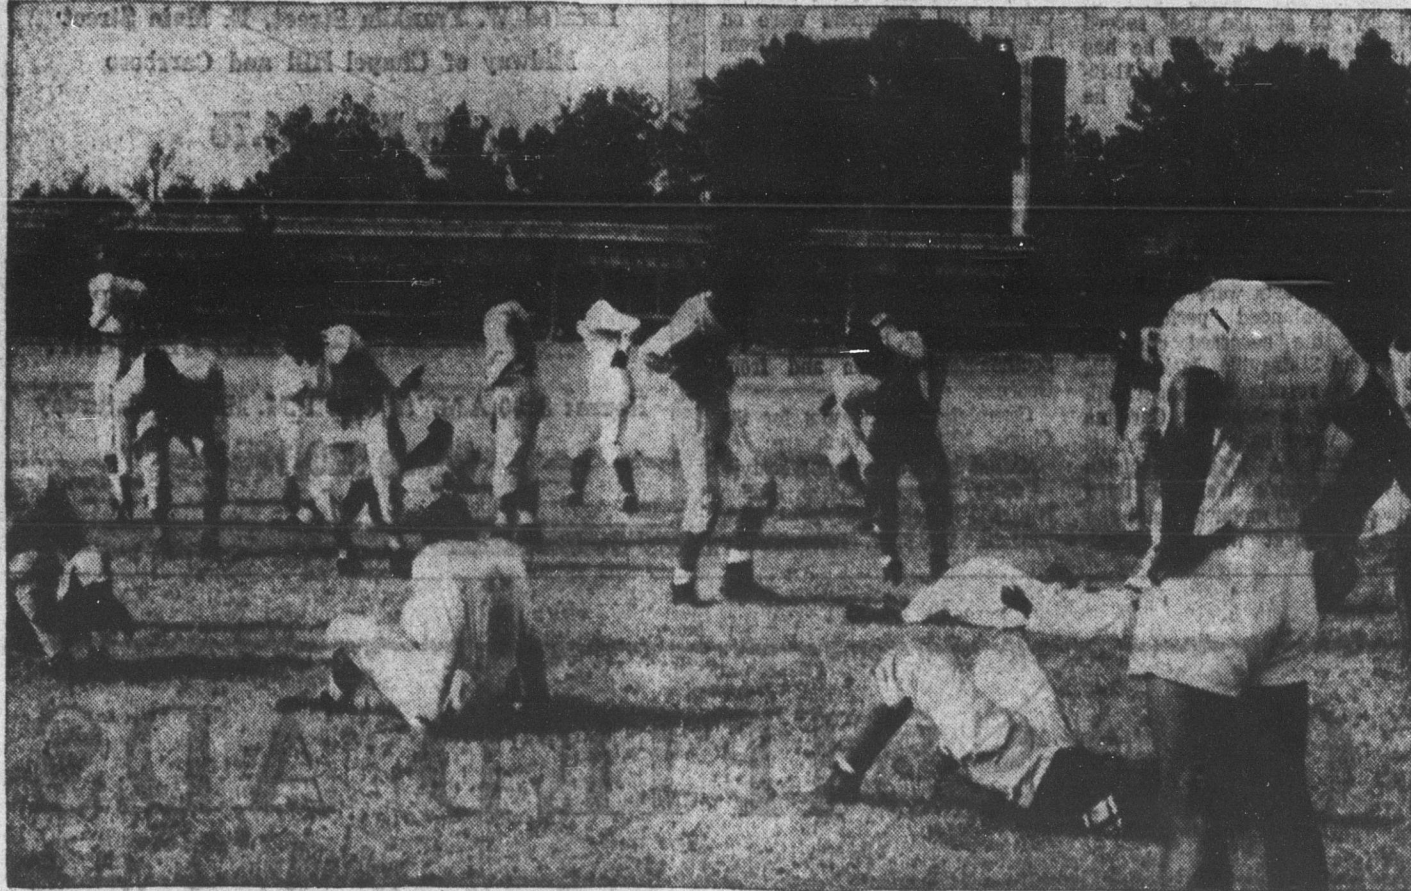

"We would expect to be better improved with a better nucleus and more lettermen," Coach Culton said, pointing out that the squad is hopeful of improving last year's record of two wins and eight losses.

For those high school boys who have summer jobs or for some reason have been delayed in coming out, Coach Culton added there is still plenty of room for newcomers. The team will practice daily six days a week until the opening of school. Morning workout will be at 9, evening drill at 6.

Mitchell and Britton were treated at Memorial Hospital and released. Milligan was seriously injured, according to police, and is still in the Hospital.

The accident occurred at the intersection of Country Club Road and N. C. 54. According to police, Mitchell was driving, Milligan and Britton were with him in the front seat of the 1955 Pontiac. Britton allegedly grabbed the steering wheel, the car ran onto the curb, Mitchell regained the road, and the car then ran off the road again, hit a sign, and then hit a telephone pole.
