Chapel Hill Scores Late To Beat Hillsboro, 20-13

The Chapel Hill High Wildcats broke a 13-13 tie in the last seconds of the fourth quarter to emerge victorious over rival Orange High 20-13 at the Orange Speedway Friday night. A twoyard plunge from the one-foot Riggsbee spelled disaster for line into the end zone by Tim Coach Glen Auman's eleven.

The 'Cats began the skirmish with a booming 60-yard kickoff into the end zone by quarter-back Danny Leigh, From this point on the Wildcats were in control of the game, never trailing until being tied 13-13. Their first scoring drive began in the second quarter after both teams had been stalled in the initial period. The Wildcats took possession on their own 37, with Donnie Clark returning a punt to the Orange 48. On the first play from scrimmage in this set of downs Riggsbee drove over right tackle and sped to paydirt. The PAT attempt by Leigh was good. Score, 7-0.

In return, the Orange Panthers drove into the Wildcats' end zone on their next possession. Their 60-yard drive was highlighted by a ten-yard race around right end and across the stripe by halfback Danny Davis. The attempted PAT run failed. The first half ended with the

After a half-time show by the Orange High Band the Wildcats took the kick at their own 30yard line. Howard Oakes replaced Danny Leigh at quarterback. On his first play from scrimmage Oakes handed off to Riggs-

score at 7-6.

end zone for another score. The end run for the PAT failed, Score, 13-6.

After a kick to the Orange 32 Wildcat defensive stalwarts Tim Farmer and David Gibson threw the Panthers for substantial losses, forcing them to punt in a fourth and 25 situation. The 'Cats took the ball deep in their own territory and worked it down field until a reverse pass by Riggsbee was intercepted. On the next play tackle Bill Blake ended up on the receiving end of an attempted Panther pass, but again the 'Cats were halted and lost the ball on downs.

The Panthers, unable to produce a score, punted. But the Wildcats were in the same predicament and quick-kicked atthird and ten.

The Panthers then slipped into gear, and their march to paydirt from the 50 was capped by a ten-yard pass. PAT attempt was good. Score, 13-13.

In the dying minutes of the fourth period the Wildcats went into the air and found themselves moving easily into Panther territory behind the arm of Danny Leigh. When a two-yard pass into the end zone was drop-

bee, who raced 70 yards to the ped by Glen Blackburn, Leigh again gave Riggsbee the duty of running the ball over. Riggsbee did it. Leigh kicked the extra point. Score, 20-13, with packed stands howling.

> The game ended in a fruitless Panther effort to tie the score

> Despite the loss of 179 yards in penalties, the Wildcats showed themselves a team of great potential in the performances of guards Phil Partin and Joe Di-Costanzo, tackle Bill Blake and end Glen Blackburn on the line; Leigh, Riggsbee, Donny Clark and David Gibson in the

Hearing Scheduled By Carrboro Board

The Carrboro Commissioners will begin their monthly meeting half an hour early Tuesday, at 7 p.m., to hold two public hearings on zoning change requests. Earl Eversole has requested that one lot on Carr Street be changed from residential to business. The property is beside existing business property.

Phillip Riggsbee and R. S.

Lloyd have requested that property in the triangle at the intersection of NC 54 and NC 54 Bypass be rezoned suburban commercial. The property's present zone is agricultural and RA-20. Mr. Riggsbee and Mr. Lloyd plan a shopping center on the property. The shopping center plan was first announced several months ago, and a rezoning to business was requested. This request was subsequently with-

made instead In regular session the Board

drawn, and the current request

By MARTHA ADAMS

The mistakes of the Castro retime in Cuba must not be allowed to discredit agrarian reform in the rest of Latin America, according to an economist who spoke Friday at the Univer-

Dr. Robert J. Alexander of Rutgers University told a meeting of the Economic History Association that in at least three other Latin American countries. Mexico, Bolivia, and Venezuela, grarian reform has been part attempts to establish mixed economies and politically democratic regimes.

"Agrarian reform is the order of the day in Latin America," Dr. Alexander said. "It is the fundamental aspect of the revolution which is sweeping the area. It is a basic need for rapid economic development, and for the achievement of feasible political democracy."

Most of the Latin American countries have made some move in the direction of land reform, he said, although in many cases the programs are too recent to judge their effectiveness.

"Agrarian reform represents the definitive destruction of the traditional oligarchy which has ruled Latin America since the Conquest of the area by Spain and Portugal. It involves dispossessing the oligarchy of the land which for four and a half centuries has been the basis of its dominant position, and the grant ing of this property to someone

He noted that in most of these countries a very small part of the population - in some cases a fraction of one per cent-owned and sometimes still owns most of the countries' cultivated and arable land.

"The traditional agrarian system gives great political power to the landlords in the rural parts of a Latin American country. The peasants working on a landlord's holding can be mobilized and taken to the polls to vote for the candidates favored by the landlords. Furthermore, in his own area, the landlord is virtually exempt from many laws, including tax, labor, and social security legislation."

The old system hinders economic development. The masses of peasants live by subsistence farming with little or no money income to spend on the market and stimulate industry. Neither the landless peasant who has nothing nor the landlord who
