

DR. JACQUES HARDRE

Dr. Hardre Will Receive High Honor

A University professor will receive the famed Palmes Academique given by the French government for distinction in French letters.

He is Professor of French Jacques Hardre, of the Department of Romance Languages, honored for his distinction in French affairs, teaching scholarship, and administration.

Dr. Hardre will receive the rank of Chevalier, one of the three ranks conferred by the society. In the near future, a representative of the Cultural Attache of the French Embassy will come to UNC to confer the decoration on Dr. Hardre.

The decoration was founded by Napoleon I in 1808, and is given to only a few men throughout the world who have distinguished themselves in French letters. In 1955 the statutes were revised to include three ranks, that of knight or chevalier which Dr. Hardre will receive, the officer, and the commander.

Prof. Hardre is national president of the American Association of Teachers in French. He has participated widely in academic affairs and is well known for his distinction in French letters.

A native of Dinan, France, Dr. Hardre received his Baccalaureat Sciences-Langues in Paris, his B.A. degree from Guilford College and his M.A. and Ph.D. from UNC.

Dr. Hardre joined the UNC faculty in 1945. He has published widely in professional journals and is a member of the Modern Language Assn., the South Atlantic Modern Language Assn., and the Association des Professeurs Francais en Amerique.

Stoves Needed For The Needy

With cold weather coming on, several needy families in the Chapel Hill area are in bad need of heating stoves.

Especially needed are coal and wood stoves.

Anyone who has such a stove and is willing to contribute it to the cause is asked to call 942-2521. Transportation will be provided.

Integration Group To Meet Tomorrow

Citizens United for Racial Equality and Dignity, the integration group successor to the old Committee for Open Business, will meet tomorrow at 8 p.m. at St. Joseph's Church to elect officers.

An 11-member executive committee, which will include a chairman, secretary and treasurer, will be elected.

A constitution under which the organization will operate was completed and adopted at a meeting last Thursday night.

Carrboro PTA Will Sponsor Meetings

Instead of a regular meeting in October, the Carrboro Elementary School PTA will sponsor a series of orientation meetings for parents concerning curriculum.

Participating in the meetings will be Mrs. Jessie Gouger, Chapel Hill's instructional supervisor; Carrboro Principal Klay Box, and teachers of the grades concerned.

All of the meetings will be held in the lunchroom at Carrboro Elementary, beginning at 8 p.m.

The first meeting will be held next Thursday and will be for parents of first-graders.

On Oct. 10, a meeting will be for parents of first-graders.

On Oct. 10, a meeting will be held for parents of children in the fourth, fifth and sixth grades.

SUBCOMMITTEE MEMBERS

Dr. Dan H. Martin, internist, of Chapel Hill, and the Rev. Fred Reed, Memorial Hospital chaplain, are members of a Subcommittee on Medicine and Religion of the North Carolina Medical Society.

The subcommittee is planned as part of a nationwide AMA program to "unite physicians and clergymen in total health care."

and William C. Trotman, director of the Institute for Outdoor Drama at UNC. The four attended a conference on the design of outdoor theatres at UNC. The design features a dome-like structure which allows flexibility of lighting and scenery.

Carrboro Thief Given Two Years

Shelton Jones, 19, of Broad Street in Carrboro, was convicted in Chapel Hill Recorder's Court Friday of a recent series of break-ins at Carrboro businesses.

Jones was sentenced to two years in prison on each of two charges of breaking and entering and larceny, one charge of breaking and entering, and one charge of attempted breaking and entering. The sentences will run concurrently.

The businesses involved were Riggsbee Hinson Furniture Store, Midway Grocery, and University Cleaners. The break-ins were committed week before last. Jones was caught last week while forcing his way into the University Cleaners plant on Lloyd Street for the second time.

Funeral Today For Mrs. Andrews

Funeral services will be conducted today at 2 p.m. at Cane Creek Baptist Church for Mrs. Rhett Lloyd Andrews of Rt. 3, Hillsboro. Mrs. Andrews died Friday afternoon at her home. She was 81.

The funeral will be conducted by the Rev. Jack Ray and the Rev. Richard L. Park. Burial will be in the church cemetery. The body will lie in state in the church for one hour before the services.

Mrs. Andrews is survived by several nieces and nephews.

Pallbearers will be Cecil Crawford, Manley Snipes, Clarence Lloyd, Robert Kirk, James Snipes Jr., and Earl Lloyd.

Holmes Talks

(Continued from Page 1)

the site of the 1963 O. W. Holmes Lectures by the Congressionally-appointed Oliver Wendell Holmes DeVisé Committee. Authorized in the will of the late Justice Holmes, the lectures are held at a different university each year. A nationally prominent authority in law is chosen as the speaker each year.

The central theme for Prof. Sutherland's three lectures is "Apology for Uncomfortable Change."

Prof. Sutherland is a native of Rochester, N. Y., attended Wesleyan College and Harvard Law School. Later he was law secretary to Supreme Court Justice Oliver Wendell Holmes. He taught law at Cornell and in 1950 went to Harvard as the Bussey Professor of Law.

AT ASD MEETING

Dr. James B. King Jr., and Dr. Roy L. Lindahl, both of Chapel Hill, will participate in the 1963 annual meeting of the American Society of Dentistry for Children in Atlantic City, N. J., next week. Dr. King will present a clinic on "Interceptive Orthodontia" and Dr. Lindahl will speak on the "Maintenance of Occlusion with Functional Restorations."

Planning Board To Tackle Signs

The Planning Board will grapple once more with the size of signs in the Town's regional and suburban commercial zones when its meets Tuesday at 7:30 in the Town Hall.

The Planners agreed last month that sign regulation in the Town's outlying commercial areas was perhaps too stringent, and enforceable only with great difficulty.

The Board's recommended amendment to the zoning ordinance is expected to provide for a system whereby the size of permissible signs will be increased in direct ratio to the distance they

are set back from public rights-of-way: the further the setback the larger the sign.

The present ordinance permits three small identification signs totalling 12 square feet in area within ten feet of rights-of-way. Larger signs must be set back 60 feet from the right-of-way. The ordinance was challenged last summer by Harris - Conners Chevrolet, which erected a sign within 13 feet of the right-of-way of 15-501 Highway between Chapel Hill and Durham. As amended, the larger signs would be permitted within 15 feet of the right-of-way, or at any point further back.

The Planners will also act on requests for a small subdivision within Glenn Heights, requested by J. B. King, who wishes to realign lot boundaries to permit two building sites on property he owns there.

ON SARATOGA

Henry B. Jones, seaman apprentice, USN, the son of Mrs. Walter S. Berry of Carrboro, is serving aboard the attack aircraft carrier USS Saratoga, operating in the Atlantic Fleet out of Mayport, Fla.

Symphony Begins Membership Drive

Chapel Hill supporters of the North Carolina Symphony will launch a \$5,000 membership drive today at a meeting at the home of President and Mrs. William C. Friday.

Dr. Benjamin Swalin, the symphony director, and Mrs. Swalin will be on hand to receive guests from 3 to 5 p.m. and Mrs. Friday will speak to the gathering.

Memberships in the Symphony Society range from \$1 for students to \$100 in special contributions. By purchasing a membership, anyone can attend all of the membership concerts of the Symphony anywhere in the State.

This would enable Orange County residents to attend concerts not only in Chapel Hill, but anywhere from New Bern to Asheville.

Mr. and Mrs. John B. Chase Jr. are chairmen for this year's membership drive.

Mrs. Chase said the local chapter hoped to extend the drive "so that all the people in the community may give." She emphasized that memberships can be purchased directly through

the Symphony office in Bingham X on the University campus as well as through the drive workers.

The drive will begin Monday and will last for two weeks. Mrs. Chase said she hopes "very much for a successful drive because it is a worthwhile cause and does so much, particularly for children in the state."

Single memberships will be sold for \$3 and joint memberships for \$5. Persons contributing \$20, \$15 and \$10 are considered active members in the Society. Those giving \$75, \$50 and \$25 are donors and contributors of \$100 are recognized as patrons of the symphony.

Elisha Mitchell Society Meeting

The Elisha Mitchell Scientific Society will hold its 586th meeting on Tuesday, October 8, at 7:30 p.m. in room 265 of Phillips Hall. This will be the first meeting of the current year. Other meetings will be held on the second Tuesday of each month during the academic year.

The speaker for the first meeting will be Dr. S. Y. Tyree, Professor of Chemistry at The University here. His topic is, "Compound Formation by the Rare Gases". This represents a new area of knowledge. Within the last year a number of chemical compounds of the rare gases have been prepared. These compounds and their properties will be discussed by Dr. Tyree.

A question-answer period will follow Dr. Tyree's lecture.

NOW IS THE TIME TO Sow Grass!

—if you want a green lawn this winter... (it's nature's time for sowing grass). Come in today and get your seed in now so germination can take place during warm Indian summer, and your grass can get started before cold weather.

Now—not spring—is the best time to seed a lawn

Sure, we sell a lot of grass seed in the Spring. But if you were to ask us what's the best time of the whole year for getting results, honesty would compel us to say — "add seed in late summer or early fall."

During these next few weeks everything is in your favor. Warm ground. Weeds on the wane. Good growing weather ahead.

And then if you were to ask us what kind of seed to plant we would give you an honest answer to that too. For a permanent lawn plant SCOTT'S. It's all perennial. It's 99.9% weed-free. It makes the kind of lawn your neighbors will envy. Honestly now— isn't that what you want?
