a fine flurry of short runs that carried the ball to a first down at the Maryland 13. Here things bogged down.

Fourth down and nine, Edge rolled out to pass. Overlooking two wide open receivers, he made a run for it. He didn't make it and Maryland got the ball on its own 8.

Late in the second quarter Maryland finally got started,

the half, trailing 7-0? "Nothing special," Coach Hickey replied. "We knew we were still in the ball game. We just made a few n:inor adjustments."

Hickey noticed halfback Ken Willard coming out of the shower. "Our two big guys," he said referring to Willard and Eddie Kesler, "are starting to play elephants." The "elephant boys" carried the ball 31 times and gained 135 yards between them. "Yes, we've got the best 20-

vard-line-to-20-vard-line offense in the conference," Hickey said in answer to another question. "But now we're beginning to show some pay off punch in our offense, as well," he said.

What about Gary Black? "Black has come real fast," was the re-"That game-winning drive ply. against Virginia gave him a lot of poise. Today's game will add to that.

"It was a tremendous win for us and we're awfully happy." Jim couldn't have hidden that fact if he tried. At game's end his players had carried him across the field on their shoulders He rode them high, his clinched right fist extended high in the air. One victory can relieve a whole lot of frustrations.

Coach Tom Nugent of Maryland took his fourth straight defeat of the season without a whimper.

"We made a desperate try," he said. "Our boys said it was the hardest-hitting game we had all year, and that includes both Duke and North Carolina State." Nugent looks like Frank Mc-Guire's brother and speaks in exactly the same soft, Irish brogue as does the former Tar Heel basketball coach.

"I haven't seen two teams hitting harder all season, even on television," he said, reinforcing his point about the toughness of play.

"Shiner couldn't run at all. His passing game had its highlights, but he was slow moving and couldn't really get going. We weren't going to use him that much, but he wanted to play

"Mike Funk, our recently converted quarterback, had looked good in practice, but got a shoulder dislocation on his second play.

20 to the Carolina 40 on short runs and passes. At this point Terp quarterback Bob Sullivan went for the bomb. Carolina's Ronnia Jackson intercented it on the Carolina 5 and it looked like a scoreless first half. But two plays later Edge committed his little faux pas.

All of this brought on the second half with Carolina trailing 7-0. They weren't long for being back in the game.

Maryland took the kickoff and moved to its 40. Then Tar Heel guard Jerry Cabe intercepted a Sullivan pass on the Maryland 44 and returned the ball to the 33. The Tar Heels were in business at a very nice location.

Ken Willard took over and in three consecutive bull-like rushes that would have scared the pants off Manolete, moved the ball to the Terp 16.

Here Edge set out to vindicate himself. He rolled around right end for nine yards to the Maryland 7. And then he bootlegged it back around the other side, outfooting several Maryland defenders in a race for the end zone corner.

Dave Braine added the point and it was up for grabs again with cnly four minutes gone in the second half.

Late in the period Maryland mounted another offensive. Led by injured, but gamely carifying-on Dick Shiner, the drive moved from the Maryland 19 to the Carolina 35 before Ronnie Jackson caught a Shiner pass as it bounced off Terp Darryl Hill and returned the ball to the Caro-

lina 29. At this point, the Tar Heels set off to win themselves a ball game. Willard and Kesler battered for 12 and then Edge passed to Bob Lacey and for the first down at the Maryland 46. Edge was injured on the play and Black replaced him and promptly

scampered for 11 yards. With Maryland rushing its linebackers, Black smartly called a shovel pass up the short middle, and executed the play perfectly to Willard for a first down at the Terps 20. Two more Black throws, one to John Atherton and another to Willard moved to the 11. Then Willard bulled

to the 7. That set it up. Black, back to pass, ducked one rusher, and then threw for Lacey moving across the end zone towards the sideline. It was classic. Lacey first

passes, a school record and just one short of the ACC record.

Any way you look at it, it was an important win for Carolina. Though the game was rated even, most sportswriters picked Maryland. Surprise, surprise. Carolina, now tied for first

place in the ACC, and with a season's record of 3-1, plays North Carolina State in Chapel Hill next Saturday. The Tar Heels have now won as many games as they won all last year.

Talbott engineered a 72-yard drive to open the game - gaining 30 yards himself on four runs. Halfback Jim Fonveille went over right guard for one yard and the touchdown, and Talbott kicked the point. ## **Roxboro Beats CHHS**, 45-0

#### By JOE SPRANSY

Roxboro High totally outclassed the Chapel Hill Wildcats 45-0 Friday night. It was the gravest defeat in recent years for the Wildcats, who seemed paralyzed while the Rockets scored on every possession.

The Rockets, playing on their home field, started by scoring twice in the first quarter with 58-yard and 56-yard drives.

The scoring plays for the two drives were made by Wayne Kendrick and William Green. Score 13-0

Chapel Hill punted both times it had possession in the first quarter when it couldn't budge the hard-nosed Rocket defense.

In the second period the 'Cats seemed no better prepared to match the Rockets and gave up another score, chalked up by John Lacey Harris on a threeyard run. Sandy Kennington was successful on three of seven PAT attempts for the night. Score 20-0.

Chapel Hill began to take to the air at this point. The Roxboro line held the Wildcats to a mere 16-yards rushing for the night. Quarterback Danny Leigh found the mark with two of his passes, which pulled Chapel Hill into Rocket territory. But hopes for a score faded with an interception by Roxboro.

The first half ended with the score 20-0, the ball in Roxboro's hands.

The second half was a repeat performance of the first, except that Roxboro piled on 25 more points. The Wildcats took the

kickoff and again found them-selves facing a stone wall defense. They punted 35 yards to the fifty after two penalties nullified two kicks.

Kendrick made his second of three scores for the night on an eight-yard run up the middle. Score: 27-0.

Chapel Hill took the kick-off, could do nothing with it, and kicked. Roxboro stepped up the tempo of the game and scored in two plays, one of them a 60-yard scoring run by Kendrick. Score: 33. In the final quarter the Wildcats seemed better adjusted to the Rocket defense and began to pass for some valuable yardage. After Roxboro scored again on an eight-yard run by John Eggleston, Leigh hit end Tom Brickhouse with three passes that helped pull the 'Cats within striking distance on the Rocket ten. Here again, hope for a score vanished when Roxboro center John Lunsford picked off a Leigh pass and raced back 90 yards for the game's final tally. The PAT attempt was good. Score: 45.

The game ended with another fruitless attempt to score by the Wildcats.

As a result of the game, in which District Three leadership was at stake, the Rockets grab bed an undisputed first place position. They stand now with a five-and-one over-all record and Chapel Hill holds an even three win-three loss record.

Statistically, the game ended much as it should have, with Roxboro gaining 15 first downs to Chapel Hill's two. The only edge

Our sophomore quarterback. Bob Sullivan, couldn't come up with the big play. After Carolina intercepted one of his early passes, he was all shook up.

"Our handicap was our inability to throw. Passing plays such an important part in our offense that when we can't move the ball passing, our team loses some of its confidence.

"Both teams were fired up," Nugent went on, "Carolina deserved to win. They made the big play."

There wasn't much to add. So. the reporters made their thanks and departed.
