Rudisill-Goodrich Vows Exchanged

Mr. and Mrs. Dale C. Mörter of Chapel Hill announce the marriage of Mrs. Mörter's sister, Brenda Joyce Rudisill, to William Dale Goodrich, son of Mr. and Mrs. Thomas Winston Goodrich of Carrboro. The double-ring ceremony was performed Saturday evening, Nov. 16, at Carrboro Baptist Church by the Rev. Calvin Rains.

Nuptial music was provided by Mrs. Ernest Riggsbee, organist, and Miss Kay Marley, soloist. The church was decorated with baskets of white mums, palms, and candles.

Given in marriage by her brother-in-law, Dale C. Mörter, the bride wore a full-length bridal gown fashioned with a boat neckline and a dome skirt trimmed in Alencon lace and seed pearls. A detachable wattleau back ended in a chapel train. Her tiered veil of imported French illusion was attached to a double coronet of lace and seed pearls. She carried a cascade bouquet of yellow roses centered with white gardenias.

Matron of honor was Mrs. S. E. Riddlebarger of Fort Walton

Beach, Fla., sister of the bride. Maid of honor was Miss Sandra Rudisill of Chapel Hill, sister of the bride. They wore gowns of emerald green velvet and matching headpieces. Their bouquets were of yellow feathered mums. Bridesmaids were Miss Dinah Simmons, Mrs. Bill Akridge, both of Chapel Hill; and Mrs. Thomas Goodrich, III, of Greensboro, sister-in-law of the bridegroom. Their gowns were the same as the honor attendants.

Ring-bearer was Gregory Mörter of Chapel Hill, nephew of the bride.

Best man was Thomas Winston Goodrich, father of the bridegroom. Ushers were Bill Akridge, Bryant Neville, James Horton and Thomas Goodrich, III.

For the ceremony, the bridegroom's mother wore a royal blue, brocade satin dress with matching accessories and a white orchid corsage.

Following a reception held at the church, the newlyweds left for a wedding trip to Western North Carolina. For the trip, the bride wore a powder blue suit with black accessories and a white orchid corsage.

Both Mr. and Mrs. Goodrich are graduates of Chapel Hill High School. Mr. Goodrich is employed by the U. S. Census Bureau at the University's Computation Center. They will make their home on Route 3, Chapel Hill.

The P-7 Oven—an exclusive feature built into every General Electric Range—actually cleans itself electrically! No messy chemicals, no hand-scrubbing, no wiping things on, then wiping them off. Your oven does the job itself.

Just set the selector dial to "CLEAN", set thermostat to "CLEAN", and set the timer. Then you latch the oven door. That's all you do!

P-7 takes over—using the same electricity that you use to cook your food. All the spatters, the roast drippings, the crusty-on pie juices and cheese spillings just disappear.

All that's left of the dirt is a fine white ash, about as much as one flick from a cigarette. Your oven will be spotlessly clean—even the corners and ridges you could never clean before! The cost per cleaning?—far less than the chemicals you use now.
