

### Candlelight Service At Lutheran Church

The annual Christmas Eve Candlelight Service at Holy Trinity Lutheran Church will be held Tuesday at 7:30 p.m. Pastor David W. Herb will preach the sermon and Pastor Frank C. Perry will lead in the liturgy and in the candlelighting ceremony. The theme of the service will be "Our Lord Immanuel." The service will be in the form of Vespers, including scripture lessons, canticles and carols sung by the congregation and choir. The choir, directed by

S. Philip Knisely, will present four carols from the 14th, 15th and 16th centuries—"Remember, O Thou Man" by Ravenscroft, "Lo! a Rose" by Praetorius, "The Coventry Carol" and "Parthenia Carol", English and Italian carols respectively. Mrs. Walter C. Carter, organist, will play "Noel in G" by Daquin and "In Dulci Jubilo" by Bach. John Benson and Paul Herb will serve as acolytes. Ushers will be Joe Augustine, Russell N. Perry, James M. Phillips and Richard L. Davis.

The service will end with the traditional candlelight ceremony or Feast of Lights. Light from the altar candles will be passed to all persons in attendance, using candles provided. The symbolism is that light from Jesus Christ, the Light of the World, is passed on to all people everywhere.

The public is cordially invited to attend.

### Teer Bros. Cows Set New Average

The Holstein-Friesian Association of America has announced a new lactation average for the registered Holstein herd of Teer Brothers, Chapel Hill, which has 34 completed production records averaging 15,161 lbs. of milk and 585 lbs. of butterfat.

Lactation averages are calculated on the commonly-employed two-milkings a day, 305 days, mature equivalent basis. This provides a uniform basis for comparison and selection in registered Holstein breeding programs.

North Carolina State College supervised the weighing and testing of production as part of the official herd testing programs of the national Holstein organization.
