Reports a Welcome Change in

Her Condition Statement by a North Carolina Woman.

"Nearly all my life I have had one cold after another and the trouble seemed like catarrh in the head. There were discharges from my ears, and my hearing became affected. I took a number of kinds of medicine but I grew worse instead of better. One day I procured a bottle of Hood's Sarsaparilla and began taking it, and soon found it was doing me good. I gained strength and was greatly benefited in many ways. I continued its use and now the bad feeling in my head is gone, and the earache with which I suffered has disappeared. I am now able to do my housework without help. I shall keep Hood's Sarsaparilla in the house as long as I live." Mrs. T. G.

American Troops Enthusiastically Welcomed by Citizens - Cities Taken Without Fighting-No Spanish Sympathizers.

PONCE, Aug. 1, via St. Thomas, Aug. 3.-Nine additional cities have yielded to Mile's advance, besides Juana Diaz. which yielded yesterday, included Arro, Yabucoa, Salinas, Santa Isabel, Adjuntas, Penuelas, Guayabal and Guayama. Spanish troops were captured in most of the cities. All the ities were taken without fighting. The American troops are being enthusi-astically welcomed by citizens. Thus far no Spanish sympathizers have been found. In many cases the Spanish troops garrisoning cities were compelled to leave and immediately retreated to San Juan.

CLOSED LAST WEEK.

The Moravian District Conference Best Yet Held. By Telephone to The Sentinel.

BETHANIA, N. C., August 3.-The Moravian District Conference closed at 4 o'clock this afternoon. The officers and delegates say this has been the finest session yet held, both in spirit and numbers, there being 110 delegates in attendance. The counties represented included Forsyth, Davidson, Davie, Stokes, Rocking-ham, Guilford and Surry.

A large congregation heard Bishop

Rondthaler last night preach a sermon of great power on the "Holy Spirit." An interesting and helpful prayer service was held at 7:30 this morning. The Sunday school mass-meeting opened at 9 o'clock. Encouraging and practical addresses were delivered by Revs. A. D. Thæler, H. E. Rondthaler and F. W. Grabs. Closing exercises began at 2 o'clock this afternoon when encouraging reports were made by delegates from the various churches in the district. Iwo splendid addresses were made by Rev. James E. Hall and Rev. J. F. McCuiston.

GOOD DAY FOR DEMOCRACY. The Big Rally and Barbecue at Madison-2,500 People There.

By Telephone to The Sentinel. MADISON, N. C., Aug. 3., 3 p. m,-The Democratic rally here today is a big necess. The crowd is estimated at 2,500. Hons. J. R. Webster, of Reidsville, C. B. Watson, E. B. Jones, of Winston, and Col. J. M. Galloway, of Madison, made rousing speeches this morning.

The big barbecue was enjoyed by the

great crowd. They began eating a few minutes after 12 o'clock. The pread was a good one.

Ex-Gov. Jarvis is now making a gallant speech, as he always does. He will be followed by Hon. A. L. Brooks, of Greensboro. This has been a good day's work for Democracy. The seniment among the people here generally is that Rockingham will return to her first love this Fall and go Democratic by a big majority. The Democrats are earnest and enthusiastic.

MAY TAKE HIS OWN LIFE. John Jack Mays Says He Will Die i He Remains in Jail.

THE SENTINEL is informed that John Jack Mays, the white man who is in jail here for safe-keeping, charged with killing and robbing an old woman in Surry county, has been planning to take his own life in jail. He has talked to some of the other prisoners bout it and once or twice had his blankets or quilts in shape to hang himself. He was advised not to do it by one of the prisoners. Mays stated that he would die if h nad to remain in jail, therefore he thought he had just as well hang himself. He sat down and considered the matter, however, got up and tore down

The soldier boys at Jacksonville were paid off August 3d. The First North Carolina Regiment was the first

to receive money.

The following ordnance stores were received August 3d and issued to the First North Carolina Regiment: 900 ayonet scabbards, 382 knapsacks, 372 haversacks, 345 gun slings, 1,117 canteens, 572 meat cans, 925 tin cups, 800 knives, forks and spoons. This about half equips the regiment with ordnance supplies. Requisition has been made for the rest. The 900 cartridge belt needed are already on the way. Until all ordnance supplies are received the regiment will not be in fighting trim.

Solicitor Holton Roasted.

The Concord Times last week roasts Solicitor J. Q. Holton for his "farce" nvestigation of the recent lynching i that county. The County Fathers allow-ed him \$100 for his investigation which did not consume two hours' time. The Times claims that the Solicitor did not make his investigation soon enough and according to law, therefore he

Crows at Work.

Farmers say that crows are playing havoc with their watermelon crop. It is sometimes the case that they peck them, but not much harm has done. This year, however, they are going at them in a business-like way before they are ripe, pecking large numbers of them and ruining them. They seem to be fond of meat and literaily scrape it out.

Patriotic and Law-Abiding.

Greensboro people are as patriotic and law-abiding as any. They are not going to shirk in paying their share of the war tax. Recently a man sent an order to the market for a hunk of beef, placing on the order a two-cent stamp of the internal revenue yariety. This is business. In case of doubt, be patriotic.

American Flag Raised Amid Great Enthusiasm-Citizens Wanted the American's Mules-The Surrender an Important One.

PONCE, Aug. 3, via St. Thomas, Aug. 4.-The city of Arroya, thirty miles east of Ponce and twenty miles nearer San Juan, surrendered today. The Wasp and Gloucester were ordered there this morning and the inhabitants hearing of their coming, assembled on the beach and prayed by the Alcalde and Priest. Shortly after 11 o'clock the people crowded about Lieutenant Wood, of the Gloucester, cheering him. The crowd then cleared away to allow the Priest to talk to Lieut. Wood, which resulted in the fact being made known that the citizens wanted the Americans' mules. Afterward the American flag was raised over the custom house amid great enthusiasm. The surrender of the city is important as a railroad leads to Guayama, direct to the military road to San Juan. Troops were landed this afternoon in the harbor of Arroyo, from the St. Louis and St. Paul, including the Third Illinois and and Fourth Ohio.

SAN JUAN.

The Decisive Battle of the Campaign Will Probably Occur Within the Next Few Days-The Spanish Flanked by Gen. Brooke.

PONCE, Aug. 2, via St. Thomas, Aug. 4.-General Stone, while reconnoitering northwards along the road to Arecibe, with a company of the Second Wisconsin, encountered opposition at Utuado, where a small force of Spanish had been instructed by Maceo to fight to the bitter end. The Spanish refused to surrender, whereupon Stone telephoned to Aduntas that he would push on, aided by a force of natives armed with machetes. A Spanish force is reported to be between Stone and Adjuntas and will be on his trail between Adjuntas and Utuado, in the heart of the mountains. As the troops can only move in single file, ten men could stop a regiment. SPANIARDS ADV. NCING.

The chief attacking army now twenty-two miles from Abonite It has steadily advanced over the main road. The retreat of the Spanish seems entirely cut off.

Ex-Senator Thomas J. Jarvis ar rived in the city last week Tuesday night from Raleigh. He went to Madison next morning, where he spoke that day.

A SENTINEL reporter interviewed the Democratic war-horse during his stay here. He said the white folks are getting together in the Eastern part of the State. The Populists are com-ing home. Senator Jarvis has been in Robeeo county. He spoke at Homellsville the township that held the Democratic banner before the unfortunate divisions that came into the party in 1892 Then very many of the best Democrat ic workers, thinking they could better their condition, went into the Populist party. They now see that the party they helped to organize cannot bring good government to the people and that locally it has resulted in giving the Republicans control of the county government in the east. These mer who had no desire to bring about such conditions are now resolved to leave no stone unturned to restore the rule of the white men of the State. The are back with us and they are zealou ly at work to persuade their Populist riends to come back to the fold. Senator Jarvis will return to Win ston tonight. He goes to Raleigh tomorrow.

Wilson on Thursday and bound over to the next erm of the Federal court at Greens boro. Their bonds were axed at \$300 each, in default of which they were committed to jail. The evidence brought out against them was only circumstantial. They were identified as being seen at Advance and Clem monsville, but no one saw them break in the depots, store or postoffice.

(Signed.) AGUINALDO." ANOTHER ROW AT MARIENBAD. Prof. Lomady Struck With a Beer

Glass by Thomas Reed. The dance given out at Marienbad Springs last week Wednesday night for "de white folks" resulted in a serious row-as did the negro ball on Monday night.

Prof. Lomady came to THE SENTI-NEL office next morning and told how it happened. He says that a number of white people came out and were engaged in a pleasant hop at the pavilion when Thomas Reed and two of his friends went in and raised a racket. This put a stop to the dance. Prof. Lomady was sent for to quiet the disturbance. When he arrived and notified the parties that they must not interfere with the dance, a fracas occurred. Lomady says he then re-turned to his refreshment stand, thinking the affair was at an end. Tom Reed and two or three of his companions came up and as Lomady eached down to get some beer from a tub. Tom beer class against the right Professor's head, cutting a gash in the ear and one in the neck. A lively skirmish then folowed for a few minutes. Prof. Lomady says he struck Reed, knocking his head against an ice box, inflicting a painful wound. It appears that he also cleaned up Reed's partners. The Professor sent for a physician who went out and sewed up the gashes on his ear and neck. Prof. Lomady tells THE SENTINEL hat he will have no more dances at

Marienbad. He is sufficiently amused. He went to Greensboro this morning to look after some business.

It was expected that when Prof. Lomady secured license to sell beer at the Springs he would have trouble.

The above list is subject to change provided suitable dates cannot be secured. The committee will not make any Saturday night engagements. Consequently it has been decided to sell 400 course tickets at \$2 each. Door admission will be as heretofore, \$1 for a single entertainment, making it to the advantage of any one to subscribe for season tickets. Seats may be subscribed for delivery about September 15th.

THE LATE PROF. BEDEE.

A. C. Green Says He Owns Half Interest in the Business. The remains of Prof. A. H. Bedee left last Thursday for the home of his sister, in New Hampshire. It is not known exactly how much his estate is worth, though it is estimated at several thousand dollars. It is understood that his brother will come here shortly to look after the business. In conversation with one of our citizens some time ago, Prof. Bedee stated that when he first came South he had \$35,000, but lost every dollar of it by dealing

in cotton futures. Mr. A. C. Green tells THE SENTINEL that he owns a half interest in Prof. Bedee's business. While he has no written contract, he has witnesses to testify that they were partners, besides insurance policies taken out on the stock. He does not think the present stock will inventory over \$800. The book accounts, goods sold on the installment plan, aggregate about \$7,000. Mr. Green is of the opinion that the store business includes all of Prof. Bedee's estate. He opened the store this afternoon and will continue the

business as the surviving partner. A NEGRO POSTMASTER.

Takes Charge at Scotland Neck-The People Indignant.

Scotland Neck has a negro postmaster and the white citizens of the town are indignant. A letter from there says that Tom Shields, a colored school teacher, took charge of the office last week, succeeding Mr. R. H. Smith, one of Scotland Neck's best men. The letter adds that the failure to confirm the appointment of Collie Anthony, the negro first appointed here, amounted to nothing. After all Anthony is really postmaster. His father-in-law, a man named Smith, stands on Tom Shields' bond, and Collier Anthony will be clerk in the office, and Tom Shields will get only ordinary wages, though he may sign his name to all the papers. A Populist, who has been getting his local paper, the Commonwealth, from that office, has ordered it changed to

THE LANIER TAX MATTER. The Controversy Settled and Suit

Withdrawn. The Winston Aldermen met in called session Friday night. Mayor Gorrell presided. Only three members were absent. The object of the meeting was explained by Chairman R. I. Dalton of the Finance Committee. He stated that the Lanier tax matter had been hanging fire for some years; that the Board claimed Lanier owed the city, while he claimed that the city owed him; that if he was allowed releases he held receipts for more than his indebtedness to the city. Mr. Dalton added that suit had been brought against Mr. Lanier and referred to the Finance Committee. This committee thought best to settle the

The following letter, addressed to the Board, was read from Mr. Lanier: "In order to settle with the commissioners the old matter that has been standing on the books since 1893, I make the following proposition: That the Board give me my individual personal property tax receipts for the years '95, '96 and '97. I will give you a receipt in full and the city give me receipt in full for all demands for the years 1891 and 1892 and surrender to me my bond as tax-collector."
The Finance Committee recommend

ed that the proposition be accepted. Alderman Griffith made a motion to the same effect and it was adopted. THREE NEGROES ARRESTED.

Policemen Adams and May went out on the road back of the Zinzendorf site and in 45 minutes from the time they were notified of the robbery the officers had three negroes under arrest. This was about 9:30 o'clock. The prisoners were coming toward the city when the policemen nabbed them. They were brought to the police station and held for some time. The names given by the negroes are Sandy Moore, Joe Duffy and Tom Hoyle. One is a mu. latto and the other two are quite black-The men stated to a SENTINEL report-er that they worked for Bachellor and Magruder, on the Mocksville-Mooresville railroad. Later they did some farm work. They all claim that their homes are in Rowan county.
