The line blocked the city's busiest corner and details of police left on guard for over a mile were unable to cope with them. PHILADELPHIA, Aug. 28.—The Real Estate Trust Company, organ-ized in 1885, the depository of nearly a million dollars of the funds of the Presbyterian church and holding \$300,000 of the money of the city of Philadelphia and \$175,000 of state deposits, today closed its doors. The failure was caused by heavy loans made by the late president, Frank Hipple, to Adolf Segal, a promoter, on insufficient security. A desperate ef-fort was made to save the institution by the board of directors through an appeal to the clearing house associa-tion, but that body declined to sub-scribe a guarantee fund of \$7,000,000, because of insufficient security.

The liabilities are placed at \$10,-000,000, with quick assets of \$3,500,-000, and doubtful collateral amount-ing to \$8,000,000.
