# 3000 Tons of Fertilizer!

ennesee Coal, Iron & R. R. THAT? Yes, we have just closed a mammoth contract with Company for 3000 tons Duplex Basic Phosphate at a very attractive price. Having secured the sole sales agency for the entire counties of FØRSYTH, YADKIN, STOKES, SURRY, WILKES, DAVIE, DAVIDSON and GUILFORD, places us in position to handle all carload orders on a brokerage basis and at prices from \$3.00 to \$5.00 per ton lower than the same product is being sold for at other places.

It would be impossible to secure cars to handle this business all in one month, or in two months, so our contract calls for 1000 tons to move during August, another 1000 tons during September and another 1000 tons in October, with a liberal discount on the early shipment. We will have a shipment of 100 tons or more coming to our warehouse each week. The August price will be \$19.00, September \$20.00, October \$21.00 per ton. We will make deliveries to any point south of Winston-Salem of 15 tons or more direct from Birmingham at \$17.50, \$18.50 and \$19.50 during August, September and October. An additional 50c per ton for freight to all points North of Winston-Salem.

LET US HAVE YOUR ORDER EARLY and save these discounts and avoid the worry and delay always experienced in October rush. THESE PRICES ARE ONE-THIRD LESS THAN QUOTED ON ANY OTHER FERTILIZER OF EQUAL VALUE.
