

### Granite Workers At Rion, S. C. Win Victory

WASHINGTON, March 17.—The National Labor Relations board yesterday ordered the Phillips Granite Company of Rion, S. C., to reinstate

70 employees allegedly locked out November 18, 1937, and also to stop discouraging membership in the Granite Cutters' International Association of America and the Quarry Workers' International Union of North America, both affiliated with the American Federation of Labor.

The plant resumed operations about March 17, 1938, after a board hearing, and on July 22, 1938, the board's trial examiner submitted his

intermediate report recommending dismissal of the lock-out charge. Upon consideration of the evidence, the board found that a shutdown for business reasons was advanced to discourage organization of the employees which had begun the night before.

However, since the date when the company would otherwise have shut down for business reasons could not be expected to act contrary to the recommendations of the trial examiner, back pay for those ordered reinstated was provided by the board only from the date of the reopening to the date of the intermediate report, and from five days after issuance of the board's order to the date of reinstatement for all employees not previously recalled. Persons newly employed in place of any locked out are required to be dismissed any employees who cannot now be reinstated because of business conditions are required to be placed upon a preferential list for future employment.

#### NO OTHER WAY

"So you desire to become my son-in-law?"  
"No, I don't. But if I marry your daughter, I don't see home I can get out of it."

#### CUCKOO!

"How do you know he was crazy?"  
"He was looking in the cuckoo clock for eggs."

#### MEASURING TIME

"Are you a clock watcher?"  
"No. Business is so slow I watch the calendar."

But he was not so dumb;  
He told the folks that when he runs  
He rattles like a durm.

### Gastonia Textile Workers Desert Fold Of the C.I.O.

GASTONIA, N. C., March 13.—Gastonia Weaving Plant employees discarded their membership in the TWOC of the CIO here last week, and organized under the banner of the American Federation of Labor. Officers have been elected and the organization is already functioning un-

der the new affiliation. Officers and members of the Pittsboro, N. C., A. F. of L. Local union aided the Gastonia workers materially in making the change from the CIO back to the American Federation of Labor. The Pittsboro local union is recognized as being one of the best textile unions in America, and the work done by the Pittsboro workers is very similar to that done by the Gastonia workers, hence the kindred interests between the two groups.

The United States produces more crude oil and gasoline than any other nation in the world.

### Levy Rites Held On Wednesday At 2:30 O'clock

Funeral services for Dr. Samuel Levy, prominent Charlotte dentist and optometrist, who died in Watts hospital in Durham early Tuesday morning, were held Wednesday afternoon at 2:30 o'clock at the Hebrew Synagogue on Seventh street.

Rabbi William Greenberg officiated. Burial was in the Hebrew cemetery.

Dr. Levy, prominent in church, civic, and Masonic affairs, died of injuries received in an automobile accident a few miles north of Durham on August 20, 1938.

He showed improvement for some time and it was thought at first that he would be able to return to Charlotte within a few weeks. His son, David, was also injured in the accident.

#### RESULTS ARE OBVIOUS

The committee from the American Federation of Labor and the C. I. O. which were appointed, at the suggestion and urge of President Roosevelt, to see if they might be able to work out a program of peace and co-operation between the two bitterly rival organizations, report that they have nothing to say as to the "results." It is obvious that the "results" themselves have nothing to say.—Observer Ed. Wednesday.
